

Date: Saturday, December 9, 2023
Course: Spooky Brook - Blue - R - Rating 69.7 Slope 121 P
Weather: 50+ degrees, overcast

The weather was exceptionally nice for mid-December. There was a 30 minute frost delay. It was overcast to start but the sun eventually came out and I think we reached mid 50s with no wind. Billy and Reese played exceptionally well with 4 birdies each. They tore up the back 9 both shooting 2 under par gross with net 30s and 3 birdies each. Charlie and Min were no match for them and it cost them \$16 each. Min only had to ask them both twice to stfu while he was playing his shots on 17 and they were still high-fiving and fist bumping. Charlie and George may want to take more time before the round actually getting ready to play, maybe hit some range balls and figure out how to putt. Other miscellaneous advice: Don't come home from a great day of golf and post-golf gathering at the Stagehouse and try to take a "quick nap" before going out to dinner with your wife and another couple. This does not work as the quick nap turns into a deep slumber and you wake up in the middle of the night wondering what day it is and where you are and whether you are still married or not.
