No team can win more than one category.

- It is most prestigious to win Combined so if you win that category (as well as gross and/or net), you are given the Combined plaque.
- Second most prestigious to win is Gross so if you win Gross and Net (taking out the Combined winner) then you are given the Gross plaque.
- Third most prestigious to win is Net so if you win Net (taking out the Combined winner and the Gross winner) you are given the Net plaque.
