

## MEMBERSHIP COMMITTEE REPORT

### For May 2017 Board of Directors & Delegates Assembly

Tracie Potts, chair

In April the membership committee completed a review of membership on record, compared to payments verified by the audit team. All dues appear to have been properly deposited.

Results (updated since April 25 DA):

- **Total paid membership: 40,995**
- **Total membership including pending payments: 42,510**
  - 13 schools with 1,515 members pending

THANK YOU to every PTA that worked hard to recruit members this year, and submitted dues!

**22 PTA have paid NO dues this year.** Their totals from last year = 2,699. If each makes payment, or total membership would be 45,209 – just 763 short of last year's May total.

A BIG thank you to Cluster Coordinators and Area VPs who have been diligently following up with local PTAs and keeping the membership committee updated. Some paid MDPTA, but not MCCPTA. Some are unaware that MCCPTA dues are not invoiced and separate from MDPTA.

*Please encourage all PTAs to submit \$1/member MCCPTA dues ASAP using the payment coupon posted at [MCCPTA.org](http://MCCPTA.org).*

March Monthly challenge winners and annual growth awards will be recognized at the May Delegates Assembly.
