

PICKAWAY COUNTY SENIOR CENTER INVITES YOU TO AN OVERNIGHT SHOPPING AND THEATRE TRIP IN OHIO AMISH COUNTRY

Board your charter coach **Tuesday, November 8**

8:00 AM

First stop Lehman's Hardware store, Kidron for shopping and lunch.

Founded in 1955 by Jay Lehman to serve the local Amish with non-electric household goods, Lehman's has grown into an international business, shipping product all over the world.

Jay was born and raised in the tiny burg of Kidron, OH, but spent several years traveling and working overseas. The business experienced huge growth spurts during the energy crisis in the early 1970s, as well as during Y2K in late 1999. Over the years, Jay's mission has not changed - to provide a simpler way of life in chaotic times. He would love to teach today's world yesterday's skills - sustainable home heating; understand food preservation and consumption; comforting time with family and friends; and a good day's work that ends in satisfying exhaustion. With a print catalog, website, and retail store in Kidron, the heart of Ohio's Amish Country, Lehman's has made the simpler life affordable for anyone, anywhere. Lehman's joined HRM Enterprises, Inc. on February 1, 2021. The HRM family of businesses includes Hartville Hardware, Hartville Kitchen Restaurant and Bakery, Hartville Marketplace and Flea Market and The Shops at Hartville Kitchen. The Miller Family, owners of HRM Enterprises, were long time family friends of the Lehman's, for decades before they purchased the business. They look forward to working with Galen Lehman and Glenda Lehman Ervin to carry forward the values and product line that you've always known Lehman's for. They expect to retain all the employees and to keep the great, family owned, culture and commitment. Customers, team members and community have been the pillars that defined Lehman's, brand, and these are the same pillars that the Miller family has always held in their family of businesses.

Lunch is on your own. You may choose to eat at the Lehman's Cast Iron Café or one of many restaurants located on the Kidron square.

1:15 PM depart Kidron for Sugarcreek where we will tour the Alpine Hills Museum.

Did You Know That Sugarcreek Is The Little Switzerland Of Ohio? Take a step back in time and experience history at the Alpine Hills Museum. The Village of Sugarcreek has an intriguing past reflected in the Alpine Hills Museum. Here you will find a unique blend of cultures as the area was heavily influenced by both *Swiss* and *Amish* Immigrants.

Sugarcreek includes a breathtaking backdrop of rolling hills and enthralling attractions, like the World's Largest Cuckoo Clock at the intersection of East Main Street and Broadway Street. The village's most famous attraction, the 24-foot high clock delights children and adults alike with a musical display that features an animated couple dancing to an oompapa band every half-hour.

3:30 PM depart Sugarcreek for Berlin where you'll check into the Berlin Encore Hotel & Suites, your home for the evening.

The quaint hotel, perfectly located welcomes you to your king or two queen deluxe room where you're sure to have all of the amenities of home. Plush bedding, cozy furnishings, granite bathroom, luxury linens, in room fridge, microwave & coffee maker, 40" LED TV, and WiFi.
