

TOWN OF STRATTON

INVITATION TO BID

Pavement

The Town of Stratton is seeking bids for paving to be completed by August 30, 2017. Measurements given are approximate and not guaranteed. Contact the Road Foreman for locations and additional information at (802) 896-6224.

- 1) SA3 (West Jamaica Rd. section) from the intersection with the Stratton-Arlington Rd. heading northeast to a point where the pavement ends just beyond the intersection with Mountain Rd. – approx. 2.2 miles.

Hot Mix Overlay

Layer #1 – 3/8" mix X 1" deep

Layer #2 – 3/8" mix X 1" deep

Emulsion RS-1 shall be applied prior to placement of bituminous concrete over existing pavement. The use of a distributor truck at a rate of 0.025 gallons per square yard is required.

Surface and base mixture must conform to the current requirements of the State of Vermont, Agency of Transportation Specifications, Section 406. Bid prices should be per ton and include hauling and placing material, signing and traffic control during placing operation and preparatory compaction.

Gravel Shoulders:

2' wide, 4" deep both sides of road for 2.2 miles in length with four (4) intersections.

- 1) Shoulder mixture must conform to current requirements of the State of Vermont, Agency of Transportation Specifications, Section 704.05A 1" gravel.
- 2) Surface course and shoulder stone aggregate as per State of Vermont, Agency of Transportation Specifications 704.12:

Sieve Designation	Percent by Weight
	Passing square mesh sieves
1 inch	100
No. 4	45-65
No. 100	15
No. 200	12

Bid price should be per yard and include hauling, placing material and compaction flush with pavement per State of Vermont Agency of Transportation Specifications 402.10. Signing and traffic control is the responsibility of the Contractor during completion of operation.

Bid price for separate shoulder materials will be reflected in all bids.

Sealed bids, plainly marked "Paving" must be received by the Stratton Board of Selectmen, 9 West Jamaica Rd., Stratton, VT 05360 no later than 7:30PM on Monday, May 8, 2017. Bids will be opened at that time in the presence of the Board of Selectmen. The Board reserves the right to reject any and all bids.

Certificate of Insurance (Liability, Workmen's Comp. or waiver) and W9 Required.

**TOWN OF STRATTON
INVITATION TO BID
Winter and Summer Liquid Calcium-Chloride or Magnesium Chloride**

The Town of Stratton is seeking bids for winter & summer liquid Calcium Chloride or Magnesium Chloride. Sealed bids marked "CaCl₂ / MgCl₂" to be received no later than 7:30PM Monday, May 8, 2017. Address to Town of Stratton, Board of Selectmen, 9 West Jamaica Road, Stratton, VT 05360. The Board of Selectmen reserves the right to reject any and all bids.

CORROSION INHIBITED CALCIUM CHLORIDE SPECIFICATION

Under this specification, the successful bidder shall provide Liquid Calcium Chloride for use in dust control, ice control and for other highway related purposes.

The bidder must submit with its bid detailed specifications, circulars and all necessary data on the commodity to be furnished. Failure to submit any of the above data may result in rejection of the bid. The Town, however, reserves the right to request any additional information deemed necessary for the proper evaluation of the bids.

MATERIAL REQUIREMENTS

Liquid Calcium Chloride shall be supplied as a true solution, from the manufacturer and not reconstituted in a liquid form from flake or pelletized calcium chloride which shall show not less than 32% +/- 1% for ice control and 35% +/- 1% for dust control, stabilization and for other highway construction related purposes.

MATERIAL SPECIFICATION

Corrosion Inhibited Calcium Chloride Solution

The Calcium Chloride shall meet the following material specification (see ASTM Designation D98; AASHTO-M144)

Calcium Chloride (Summer)	35% +/- 1%
Calcium Chloride (Winter)	32% +/- 1%
Alkali Chloride as NaCl	2% Max
Magnesium as MgCl	0.1%
Phosphates	<5.000 PPM
Cyanide	<0.050 PPM
Arsenic	<1.000 PPM
Copper	<0.200 PPM
Lead	<0.400 PPM
Mercury	<0.005 PPM*
Chromium	<0.100 PPM
Cadmium	<0.100 PPM

* Test Method: Standard Methods for the determination of water and wastewater. 19th Edition. 1995

Method 3120B*3112B

Summer chloride shall be applied to the roads by the successful bidder per town specs and/or delivered to the Town storage facility.

MAGNESIUM CHLORIDE SPECIFICATION

Road Saver PlusTM for summer-use or *ICE BE GONETM* for winter-use.

Bid separately on Winter mixture and Summer mixture (applied or to storage) - give price per gallon.

Additional specs available upon request.

Certificate of Insurance (Liability, Workmen's Comp. or waiver) and W9 Required

**TOWN OF STRATTON
INVITATION TO BID
