

Prayer Time
August 30, 2017

Instead of giving a word today, I thought we could lift up Texas and all surrounding areas in prayer today.

Also, thousands of Volunteers will soon be needed to sort through and salvage belongings, remove flooded debris, gut homes by removing soggy insulation, drywall and household items, and most importantly, be there to love, listen, and minister to the precious residents who may have lost so much. In the coming days, we will be providing further information regarding how you can personally help with Operation Blessing. Just a few days or hours of your time can make an eternal impact to the people of Texas who have been affected by this catastrophic storm.

If you'd like to donate to help the people of Texas, please consider Operation Blessing- www.ob.org

Lord, Jesus, we come to You today with heavy yet open hearts. We ask You to be with those affected by this massive storm. We know You are already working on their behalf but we ask for more relief to be sent in whatever way those affected need it. Let our hearts be open to those affected by this disaster. Let this event bring us closer together as one nation under You (You as the Head).

By the authority in us as believer's in Jesus Christ, we command the waters to recede quickly. We speak peace, comfort, and love over the towns, cities, states, and people affected because "love conquers all". In the name of Yeshua HaMasiach, we pray.

Alicia R. Shipe
