Rousey Wins Golden Nugget Tour Championship in 3 Way Playoff and Wins \$10,000

Nick Rousey shot a final round 62 to finish the tournament at 14 under par. As he waited in the clubhouse for the final group to finish, he didn't think he still had a chance

to win. With Second round leaders Jimmy Brandt and Glen Day still out on the course and Garrett Burgess just one behind, it looked like the winner would certainly come out of the last group. As they finished the last hole after a slight rain delay former PGA tour player Glen Day just needed to make par to finish at 15 under. After a little delay to let the green dry out Day ended up making bogey to finish at 14 under and tied with Rousey. Jimmy Brandt had a 8 foot putt for birdie and rolled it in to join the playoff.

On the first playoff hole Day nearly chipped it in and settled for par. Rousey then knocked in a 15 footer for birdie. Brandt had a 10 footer to keep the playoff going but it just slid by giving Rousey the Tour Championship title and the \$10,000 first prize. It was his second win on the Emerald Coast tour this year. Rousey who is from Pensacola FL has been playing on the Web. Com tour this year. Garret Burgess of Anniston AL finished in a tie for fourth at 204 with Michael Arnuaud of Mandeville LA and each collected \$1200. Pope Sprueill of Livingston AL finished 6th at 205. Chase Blaich and Kyle Sapp tied for 7th at 208

The golf course at Hickory Hills was in great shape and help up very well after lots of rain showers during the week. Thanks to Jerry Covich and his Staff for their hospitality to all the players.

The Pro Am was won by Garret Burgess: Randy Martina, John Hicks, Cabbie C and Daniel Crutcher
