

**EMERGENCY PLANNING COMMITTEE****Policy**

The Board of Education directs the Superintendent of Schools to establish an Emergency Planning Committee to consist of a representative from each of the areas listed below. The duties of the Committee will be to develop, continually review, and where necessary, to modify and update a School Emergency Management Plan in compliance with Commissioner of Education Regulation 155.13. During an emergency, the Planning Committee shall function as an operations group under the command of the District's Emergency Coordinator.
