My dear Sister,- I have just read your letter. I am so sorry that we are and have always been so far apart. It was not my choice. Our Heavenly Father knows what is best for us. From a child I loved the Bible. I have tried very hard to follow the teachings of the Book. I was eight years old when I remembered the folks talking about the Sabbath and I decided right then if the Seventh Day is the Sabbath then Saturday is the Sabbath and when I became old enough to do so I started. Grandfather and Grand mother taught me the Bible. I still love them for teaching me the Blessed Word. If St. Mathew 7: 21 which says "Not evry one that sayth Lord shall enter into the Kingdom of Heaven but he that doeth THE WILL of my Father which is in Heaven" is true how can I help but obey God,s Will? If we do we shall be there if we do not we cannot be there. St Matthew 19:17 says "If thou wilt enter into Life keep the commandments." Heaven and Earth will pass away but my Words will not pass away." Matt. 24:35 Revelation 22: 14 says "Blessed are they that do ... that they may have a right to the Tree of Life and may enter in thru the gates into the City. St. Luke 6:46 says "Why call ye me Lord Lord and do not the things which I say?. " St. John says " If ye love Me Keep my commandments." John. 14: 14&15. Please read your Bible and ask God our dear Loving Father to teach you what is right and He will do it.

Mother saw it when she was with me and how glad I was to baptize Her! May the dear Lord have mercy on us all and lead us to the right.

The Land was bought in mothers name and all of you are HEIRS. I am not in it. I sold mine and brought her over here but hers was in Amy's hands I suppose. You may be able to get Allan to help you on that. If I send for you this Summer would you come? Since you travel by plane I could meet you and then you can fly on to Jennie. Here is my picture. Please send me yours. Thus far God has been merciful to poor me. My health is good they say for my age. I can run and jump and drive my car sometimes 90 miles and hour. etc. Ofcourse I have never eaten any flesh since I left home in 1903 mar. 17. I use milk and eggs sparingly but I eat fruit and graines veg. etc.

I hope you can read this. My Love and Prayers for all of you

Yours
