Firm Overview

Connico Incorporated is a construction consulting firm that focuses on the varied aspects of planning, design and construction, from master plans to construction. Founded in 1990 by Connie S. Gowder, CCP, Connico specializes in cost estimating, program management, scheduling, and project management, serving owners, planners, architects and engineers.

Successfully delivering clients' visions for projects is Connico's purpose. We offer comprehensive industry expertise and recognize the critical link between planning, design, and construction of today's enterprising projects. Connico's construction experience enables us to understand the many complexities that may influence the cost and schedule of a project.

Connico is a woman owned firm and is certified as a Disadvantaged Business Enterprise (DBE) in 46 states across the U.S., Puerto Rico, and the Virgin Islands.

Firm Services

Connico offers a mix of construction consulting services to our clients that can benefit any project including:

- Cost Consultancy
