

# COMPANY EXPOSURE @ GMF Networking Events

Our Networking Events are quality events that are held with the target audience of executives as well as front of the house employees from the various sections of the hospitality, travel and tourism industry and beyond.

These events provide high level exposure to any company that would like to showcase their business to their audience.

We would like to ask for a donation representing your company and business for us to promote at our events.

Your donation will also benefit our annual charity partner, **One Heart For Women & Children** and we would like to Thank You for your support and let you know that your generosity is greatly appreciated.
