Middle School Exchange Program

Exciting Summer Ahead

The Middle School Exchange Committee is thrilled to announce the upcoming 2025 People to People summer exchange between Sheboygan, Wisconsin, and our sister city of

Esslingen, Germany. This year, four middle school students from Sheboygan will travel to

Germany for three unforgettable weeks, while four students from Esslingen will join us here in Sheboygan for a summer filled with culture, connection, and fun.

Adventures in Germany

Our Sheboygan students will begin their European adventure in the historic and picturesque town of Esslingen. They'll explore the beautiful university city of Tübingen, known for its charming old town and vibrant academic atmosphere. The itinerary includes a traditional German brat fry, a swimming and games day, and a welcome gathering hosted by the VES Club—our partner organization in Germany. Of

course, there will also be plenty of quality time spent with host families, allowing for a deeper connection to everyday German life and culture.

Excitement in Sheboygan

When the Esslingen students arrive in Wisconsin, they'll be warmly welcomed into our community and homes. Their American experience will include a day of thrills at Six Flags, a sightseeing trip to downtown Chicago, a relaxing picnic, and both welcome and farewell parties. Just as in Germany, the visiting students will also enjoy time with their host families—creating friendships and memories that last a lifetime.

We are incredibly excited for another summer of international friendship, cultural exchange, and unforgettable experiences. Thank you to all the host families, volunteers, and supporters who help make this program possible. Here's to a summer of growth, fun, and connection!
