Now on to the june meeting Sherri L, went over bike ticket sales and it sounds like her and the help from other ABATE members are doing very well at it .I am not going to tell how good she is doing because if other regions happen to read this they might hit the bricks and say we will do better.It would be nice to see all the bike tickets sell out . Ok now onto awareness and memorial ride and party weekend . It went great with no rain thanks to sunny the stump and our reverse rain dance. Boy I bet some people are getting tired of hearing about that. I don't care it works again and again and again .If you are tired of hearing about it you probably don't even ride . So that being said, get on your bike and ride Bitches. We had a damn good time as always. Good people and a good band and a great chicken dinner cooked by Adam T. and Dan L. plus a two day non stop fire pit . Good job laddy T. as always. Speaking of the fire pit, a big thanks goes out to the people that helped me out getting the fire wood like Mike S.the irish indian and Kim R. and Nicki H. and Kevin C . Spanky . and last but not least Jeness L. . Now on to a big thanks to are road captains they make our ride so enjoyable and keep everyone safe . So a big thank you to the Irish indian and Sass and Eric N. and Shinny bob and Brad H.Barry C. and two more Garry D. and Randy R. . With these Brothers and sisters around they make one hell of a good ride. Ok now let me see I am not done yet so if you are on the shitter get off it and go grab a coffee before you get hemorrhoids and if it is later in the day go grab a beer and a double shot of whisky and let's move on . Ok here we go a big thanks for giving a shit for going to lansing on the freedom rally . There is that name that keeps coming up again: the Irish indian Mike S. and Mr bill also Brad H.and Leroy C. the Big sexxy .Not only do they make time for this they ride in shitty ass weather .Next year at the reverse raindance I am going to add the freedom rally to it .I think I am getting close to finishing this up let me see here oh yeah one more thing Dan Dan told me that Elkhart county ABATE from indiana called him and asked him if he could help out with big summerfest . They lost their original spot in Indiana and would like to move to his neck of the woods . So if any one is interested get with Dan Dan . The date is 8-13 through 8-15 . In case you don't know who Dan Dan is he is region 12 RC. He is a really easy to get along with guy . So don't hesitate to call him .He would like to hear from you. No really call him, don't think about it do it make the call. Now let's go with I hope everyone has a great summer, be safe and kind to each other and don't forget to send your prayers out to our brothers and sisters out there that can really use them. God bless you all yours truly.TREEMAN
