

# CRUCIFIXION YEAR ASTRONOMICAL ALIGNMENT

## PLANETARY PARADE OF SPECULATED YEAR OF JESUS' DEATH APRIL 14, 32 AD PASSOVER

The following is the Astronomical Array of the Planets along the Eclipse for the Day, April 14, 32 AD. This is the Year, Month and Day, being the 'Midst' of the Week, per the Extrapolation of the Prophetic Typology taken from Daniel 9:27. Aside from the Modern Scientific Software, or even the Essene Calendar, one relies more so, based on one's Conjecture for this Year, Month and Day of the Crucifixion, on the Astronomy occurring on this precise Day and the Prophetic Typology of a Week given to Daniel as mentioned. The following are some Observations. The entire Mazzaroth of the 12 Major Signs in the Sky are portrayed along the Ecliptic. Their Order by Number, Beginning with Virgo and Ending with Leo are given. What Delineates the Expanse of the Sky is Book-Ended by the Blood Moon in Libra on that Crucifixion Night, near Midnight as it was in Exodus. The other End is the Planet Mars, as if being Poured-Out in the Constellation of Aquarius. Interestingly, if one superimposes the Phi Ratio Spiral, focused on the Sun, the Ends are in Approximate Phi Ratio to the Sun. And? This shows the Mathematical Array that even YHVH arranged for 1 of the Most Important Days of the 7 one has Identifies Jesus turned around History around for Humanity and its Course, Fate and Destiny, etc. In keeping with the 'In the Midst' Pattern, of being 'Cut-Off' per Daniel, that is how one has Centered all of History around this Date. And even with this Prophetic Typology, the Arrangement of the Planets also produces a Menorah Type of the Planetary Parade with the Sun, in the Midst and then with the 3 Heavenly Bodies to the Right and Left of the Sun, etc. This is perhaps an Affirmation that the Theory of a 'Midst', as in Symmetry even displayed in the Astronomy, on the Night Jesus' was Crucified. If so, it suggests the possibly the Crucifixion Year, Month and Day, is consistent throughout Prophecy.

In Ancient Renditions, Libra was an Altar of Sacrifice.

### POSSIBLE PROPHETIC INTERPRETATION OF PLANETARY PARADE

Signaling the Ominous Conflagration of the Enemies apparent 'Victory' of Jesus at the Cross. However, it as a 'Bait and Switch' done by YHVH in using Death to Destroy Death.

1. Moon in Libra: Blood Red from Sacrifice of Jesus' Blood on Cross.
2. Saturn in Cancer: Entering the Bee-Hive 'Sheep Fold' in Cancer as to devour it.
3. Jupiter in Taurus: The Planet of the Messiah, 'Pierced' by the Bull, in the Midst'.
4. SUN in Aries: In the Sign of the Lamb, the Sacrificial One that was to be Slain.
5. Venus in Cetus: A Euphemism of Jesus, Captured by the Sea Dragon, Cetus.
6. Mercury in Pisces: Euphemism of Jesus as 'Messenger of GOD' Bound by Chords.
7. Mars in Aquarius: Planet of War, of how the 'Conflict' of Man was Poured on Jesus.
