

Dear Friends,

As we are coming into 2021, we cannot forget the topsy-turvy events of last year. I hope you are all staying safe and well. Despite the initial shutdown of last year, we had a busy season with great crowds! Shoppers came out to enjoy being outdoors at a safe, family friendly event on the beautiful and massive fairgrounds that allow social distancing. This year we will continue to focus on the safety and health of our dealers and shoppers by adhering to mask and social distancing guidelines. We are fortunate to be able to operate in an outdoor setting and we predict that this year will be another great year for all participants!

For the 2021 season, our August show date has been changed to accommodate for the 4-H Fair. Please note that the August show is on 8/22/2021 (fourth Sunday).

Thanks again for your participation and I look forward to seeing you at Burlington!

Cordially,
Tony Pham, Manager
