of Unique Individuals Served Annually:

The Foundation now recommends participation in the Better Business Charity Review process. The Better Business Bureau serving Louisville, Western Kentucky, and Southern Indiana performs charity reviews and develops reports on local charities. The purpose is to promote public confidence in charities and to encourage charitable giving. Reviews are prompted by consumer inquiries and by charities interested in demonstrating adherence to best practices in their programs and operations. Charity review is a donor information service of the BBB and there is no cost to the charity for the BBB to conduct a review and issue a report. For more information on BBB charity review, please contact Angie Estes, Director of Charity Review, at aestes@louisville.bbb.org or (502) 588-0033.
