A Fascinating Carol Baehren Landeweer Demo

Members were held spell bound by Carol's fun demo on Nov. 14. She gave tips on painting while traveling and shared a valuable lesson for adding flowing alpha figures to your work. She also brought along a life time of little sketch books filled with remarkable paintings she has created over her many years as an accomplished artist as well as her personal, museum-quality, antique painting kits display.

Martin Downs Clubhouse Restaurant

VP, Ellie lafer, is a resident of Martin Downs and when she heard the Clubhouse there was opening a new restaurant with a great new chef, she stopped by to see it for herself and asked if they'd be interested in having PCAA artists exhibit artwork there. After meeting again with the owners to work out the details, our artist's drop off date of Nov. 27th was selected. It is beautiful!! Stop by and see it. Just tell the gate "Clubhouse Restaurant" to get in and maybe stay for lunch or Sunday brunch. It is yet another fabulous display opportunity for our very creative artists. *Thank you, Ellie!*

Special Holiday Luncheon Planned at Mariner Sands CC

We hope you've all reserved your tickets for PCAA's Holiday luncheon at the Mariner Sands Country Club December 12th. Lynda Feld, trustee and holiday luncheon coordinator arranged everything including a fabulous menu and even valet parking.

Members will arrive at 11:30 and lunch will be served at noon - a selection of fish, chicken or vegetarian, each with bread service, a medley of fresh vegetables and a fabulous dessert of cream puff swan with raspberry sauce. There will also be a beverage station as well as a cash-only bar (please note Mariner Sands does not accept credit cards). Tickets are \$25/pp. So please call Lynda at 561.236.1585 to reserve your tickets before the December 1st deadline.

At the luncheon we'll have the opportunity to purchase items in our first-ever *Artists Attic Sale!!* Members have generously donated many wonderful items from their studios and the sale of these items will benefit our scholarship program. We can purchase fun items for a lot less than their original cost & contribute to worthy student scholarships at the same time! We can't think of anything more in the holiday spirit! See you all there.

Our 30th Annual PCAA Art Show & Sale is Coming Soon

Thirty years is a remarkable achievement! As artists we should all be very proud. This February we will collaborate once again in this extraordinary Show and Sale event. According to Betty Brain, Chairperson, plans are underway now to make this the best show ever!! Watch your email in December for the guidelines and application. We will once again have 6 ribbon categories and a Best In Show award. We will host a fun reception and student artists are invited to participate again as well. Think about which piece you will enter and please consider donating a mini painting or greeting card set as these were so popular last year, they earned a record amount toward our scholarship program. This year we are going to ask that each of you help us promote the show by putting the show info on your Facebook page and Website. Stay tuned for all the details as we work to celebrate 30 years of exceptional artwork.
