AKC Sanctioned Beginner Puppy Competition!

The American Kennel Club has designed the Beginner Puppy Special Attraction to be an opportunity for puppies to interact with people and other dogs under a puppy friendly judge and show ring. New pure-bred puppy owners are encouraged to enter to explore competing in AKC events.

One combined class, not divided by sex, will be offered for dogs that are four (4) months & under six (6) months. There will be a selection of Best Beginner Puppy and Best of Opposite Sex.

An AKC registration number or litter number will be required for entries.

Dogs are required to be vaccinated (including rabies) in accordance with their veterinarian's protocol.

AKC Rules in Dealing with Misconduct will be applicable to any person and dog entered at this competition. All applicable rules found in *Rules Applying to Dog Shows* will govern the conduct of this competition unless these regulations state otherwise.

Exhibitors should plan on opening the mouth of their puppy for the judges. Breed standard disqualifications such as color, height, weight or dentition shall not be a point of consideration in the judging process for this 4-6 month Puppy Special Attraction event.

Professional Handlers are not allowed to exhibit in this competition. Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay.

The Beginner Puppy Competition is a wonderful way to get your puppies started in the world of conformation showing. Not only is it good ring experience, it is also a great opportunity for your puppy to get some exposure to the show environment.

JUNIOR SHOWMANSHIP COMPETITION

Classes and Divisions. The regular Junior Showmanship Classes shall be:

(A) Novice. This class shall be for boys and girls who are at least 9 years old and under 18 years old on the day of the show and who at the time entries close have not won three (3) first place awards, with competition present, in a Novice Class at a licensed or member show.

(B) Open. This class shall be for boys and girls who are at least 9 years old and under 18 years old on the day of the show, and who have won three (3) first place awards in a Novice Class in a licensed or member show, with competition present. The winner of a Novice Class shall automatically become eligible, upon notice to the Open Class ring steward, to enter and compete in the Open Class at the same show provided the win is the third (3rd) first place award with competition and further providing there are one or more Junior Handlers competing in the Open Class.

Junior Handlers who win a third (3rd) Novice Class with competition present after the closing of entries for a show may transfer their entry from the Novice Class to the Open Class provided that this transfer is made by the Superintendent or Show Secretary at least one-half hour prior to the scheduled start of Junior Showmanship judging at the show.

No entry may be changed or cancelled unless notice of the change or cancellation is received in writing by the Superintendent or Show Secretary named in the premium list to receive entries, prior to the closing date and hour for entries, except that a correction may be made from one age division to another provided this transfer is made by the Superintendent or Show Secretary at least one half-hour prior to the scheduled start of any Junior Showmanship class at the show.

(C) Junior, Intermediate and Senior Classes. Each of the regular classes may be divided by age into Junior, Intermediate and Senior Classes, provided the division is specified in the premium list. A Junior Class shall be for boys and girls who are at least 9 years old and under 12 years old on the day of the show. The Intermediate Class shall be for boys and girls who are at least 12 years old and under 15 years old on the day of the show. The Senior Class shall be for boys and girls who are at least 15 years old and under 18 years old on the day of the show.

(D) Best Junior Handler. A club offering Junior Showmanship may offer a prize for Best Junior Handler provided there will be competition for this award, a minimum of two class winners present to compete for the award. The prize is described in the premium list. The Junior Handler placed first in each of the regular Junior Showmanship Class at that show, shall automatically be eligible to compete for this prize.

JUNIOR SHOWMANSHIP COMPETITION (con't)

(E) Master: This class will be for boys and girls who are at least 9 years old and under 18 years on the day of the show, and who have won the 10 first place wins in an Open class with competition to be eligible to enter the Limited Class Competition. The calendar for this class will be consistent with the eligibility dates for the AKC Eukanuba National Championship.

All Juniors meeting the criteria for this class are required to enter the Master Class and may change their entry the day of the show if entries have already closed. Once the eligibility time frame for that year has passed all participants return to the Open Class to compete for the following year.

Our club supports the Jr. Showmanship program and encourages every young person to get involved in this sport. If you are interested in becoming a Jr. Handler but don't know how to get started, please go to the AKC.org website for information on this program.

TRANSFERS (previously known as Move-Ups)

After a dog earns a title (obedience or rally), it may be **moved up to the next class** in a future trial even though the closing date has passed. This transfer may be requested if, according to the owner's records, the dog has completed the requirements for the title after the closing date of the trial in which the advanced entry is to be made.

The request for a transfer must be in writing and presented to the trial secretary or superintendent at least 30 minutes before the start of each trial.

Transfers may be approved, provided the next level class and judge are available and the class has not reached its limit.
