

## Society of Human Resource Management (SHRM)

SHRM is a global leader in providing a one-stop shop of resources for HR professionals from education, certification, laws, regulations and many more HR related topics. According to the SHRM website, there are more than 575 subsidiary chapters throughout the United States and subsidiary offices in China, India and United Arab in Emirates.

### *UOPX Affiliated SHRM Student Chapter—No. 5757*

Connecting students and engaging in personal development has been our goal since December 1, 2016, our recognition date as an official affiliate SHRM student chapter. Being a new chapter has had some challenges, one being securing SHRM student memberships. Many UOPX students are not aware of this valuable resource of membership in SHRM. Fortunately, for Tucson we are the proud recipients of a \$750 scholarship received from the SHRM Foundation. Tucson chapter officers have agreed that the best way to utilize this award and follow our goal will be to sponsor University of Phoenix Tucson student SHRM memberships. The current cost for student memberships is \$40. We are certain the value received will encourage students to use SHRM as a valuable resource in their academic and professional careers.

### *Arizona Bonus*

The UOPX SHRM Student Chapter—Tucson is sponsored by another SHRM affiliated chapter and that is SHRM-GT (Greater Tucson), which serves Southern Arizona. To find out about membership visit their website: <http://www.shrmgt.org>
