Dear Millbrae Community Foundation:

On behalf of the Board of Trustees and Mills High School, I want to thank you for your generous contribution of \$3,000 to the Mills Annual Fund this year. Your donation will directly support the purchase of spectrophotometers for our science department, and help make Mills the exceptional school our students and community deserve. Your support makes a difference.

Each year, the Mills Annual Fund specifies priorities for fundraising. Our mission is to challenge and motivate each student to achieve his or her full potential as a responsible member of our diverse community. Your donation helps us reach our mission and is essential. This year, funds raised help support our new Computer Science class, and allow us to offer a variety of course offerings and electives that prepare our students for career readiness in the 21<sup>st</sup> century.

We take pride in our strong connection with our various community members, our ability to offer students a wide selection of clubs, activities and programs while engaging in a rigorous course of study, and fully participating in a vibrant, student-centered culture at Mills. Your donation helps make this happen. We are grateful.

Sincerely,

Paul Belzer  
Principal
