99th Annual Meeting Winnebago-Boone Farm Bureau Winnebago-Boone Farm Bureau, Rockford, Illinois

The 99th Annual Meeting of the Winnebago-Boone Farm Bureau was held at the Winnebago-Boone Farm Bureau building, Rockford, Illinois on March 19, 2019. The meeting was called to order at 7:00 pm. by President Richard Beuth, who led us in the Pledge of Allegiance to the flag.

The Official Notice of the Annual Meeting was read by Secretary Julie Newhouse. Ann Marie Cain, member of the Credentials Committee, certified that a quorum of the voting members was present in person or by proxy and that official business could be conducted. Julie Newhouse reported that we have received 180 valid proxies naming the President to cast votes on their behalf.

President Richard Beuth then announced that the minutes of the 98th Annual Winnebago-Boone Farm Bureau Meeting held on March 20, 2018 were printed in the booklet. As no member requested that the minutes be read aloud, President Beuth asked for a motion to approve the 98th Annual Meeting Minutes as printed. A motion was made, seconded, and passed to approve the minutes as printed.

President Richard Beuth called upon Board Treasurer, Sidney Moate, to give the Financial Report. The Statement of Financial Position and Statement of Activities, as printed in the booklet, were presented as well as the Financial Report for the Winnebago-Boone Farm Bureau Foundation, which was also included in the Annual Meeting booklet. A motion to approve the Financial Report as given was made, seconded and passed.

President Richard Beuth introduced the board of directors.

President Richard Beuth then called on Gary Greenlee, who served as Chairman of the Nominating Committee, to report on the results of the Nominating Committee and to conduct the election. The following persons have been nominated to serve on the Farm Bureau Board of Directors for the ensuing three-year period: Richard Beuth, Cody Book, Jeremy Franseen, Julie Newhouse and Clay Sohner. We hereby

certify that they are voting members in good standing and duly qualified to serve on the Board of Directors of the Winnebago-Boone Farm Bureau. The Nominating Committee consisted of the following members: Larry Larson, Trevor Olson, Brent Pollard, John Reid, Brian Sisson and Gary Greenlee, Chairman. Gary Greenlee then asked if there were any nominations from the floor. Having asked and being that there were no nominations from the floor, Chairman Gary Greenlee then asked the Secretary to cast a unanimous ballot for the following: Richard Beuth, Cody Book, Jeremy Franseen, Julie Newhouse and Clay Sohner to serve a three-year term as Director of the Winnebago-Boone Farm Bureau. Secretary Julie Newhouse then cast the unanimous ballot for the above mentioned as Directors of the Winnebago-Boone Farm Bureau.

Gary Greenlee congratulated the newly elected directors and turned the meeting back over to President Richard Beuth who then introduced the newly elected directors Richard Beuth, Cody Book, Jeremy Franseen, Julie Newhouse and Clay Sohner.

President Richard Beuth then asked for a motion for the authority for the Board of Directors to appoint voting delegates to the IAA Annual Meeting to be held in December 2019. A motion was made, seconded, and passed. President Richard Beuth referred to the President's and Manager's Reports provided in the booklet. President Richard Beuth asked for a motion to approve the actions of the Board of Directors for the past fiscal year. The motion to approve the Board's actions was made, seconded and passed.

President Beuth then asked the members if there was any other business to come before the meeting. Richard Beuth noted upcoming events highlighted in the booklet. As there was no other business, a motion was made, seconded, and passed to adjourn the business meeting.

Julie Newhouse, Secretary

Drink Milk & Support Education

Drink Prairie Farms Milk and Give to What Mooves You

Support the Winnebago-Boone Farm Bureau Foundation by drinking

Prairie Farms milk.

Here's How!

1. Begin by purchasing Prairie Farms milk in gallon or half gallon sizes.

2. Peel off the Prairie Farms cap sticker to reveal a unique, redeemable code.

3. Click the *Enter Cap Codes* button at www.prairiefarms.com/ourcapsyourcause

4. From the drop-down menu, select:
Agriculture and then Winnebago-Boone Farm Bureau

5. Enter your codes (up to 5 at a time)

6. Click the donate button.

On behalf of the Winnebago-Boone Farm Bureau Foundation, Thank You for your Support!

2019 Foundation Scholarships Awarded

The Winnebago-Boone Farm Bureau® Foundation awarded twelve, \$1,500 scholarships. These scholarships are for students of Farm Bureau members that are enrolled in a college or university and are majoring in an agricultural field of study.

Recipients include Kaitlin Asche of Pecatonica. Kaitlin will be a sophomore at the University of Wisconsin-Platteville in the fall. She is majoring in Agribusiness. Kaitlin is the daughter of Allen and Mary Asche.

Our second scholarship recipient is Rebecca Baird of Durand. Rebecca is the recipient of the Lawrence & Hazel McColl Memorial Scholarship. She will be a freshman at Iowa State University in the fall. She will be majoring in Environmental Science. Rebecca is the daughter of David and Reita Baird.

Our third scholarship recipient is Holly Black of Rockton, IL. Holly will be a sophomore at the University of South Dakota in the fall. She is majoring in Medical Biology and Sustainability (Environmental focus). Holly is the daughter of Mike and Ann Black.

Our fourth scholarship recipient is Austin Brockmann of Garden Prairie. Austin will be a junior at University of Illinois, Urbana-Champaign in the fall. He will be majoring in Agribusiness and Agri-accounting. Austin is the son of Gary and Vicky Brockmann.

Our fifth scholarship recipient is Daniel Daly of Pecatonica. Daniel is the recipient of the Lawrence & Hazel McColl Memorial Scholarship. He will be a freshman at Kirkwood Community College in the fall. He is majoring in Ag Production and Agribusiness. Daniel is the son of David and Carrie Daly.

Our sixth scholarship recipient is Genevieve Ellingson of Poplar Grove. Genevieve will be a freshman at University of Illinois, Urbana-Champaign in the fall. She will be majoring in Crop Sciences and Plant Biotechnology. Genevieve is the daughter of John and Toni Ellingson.

Our seventh scholarship recipient is Ray Hildebrandt of South Beloit, IL. Ray will be a senior at the University of Wisconsin-Platteville in the fall. He is double majoring in Ag Business and Dairy Science. Ray is the son of Ken and Amy Hildebrandt.

Our eighth scholarship recipient is Brock Irwin of Belvidere. Brock will be a junior at University of Wisconsin- River Falls in the fall. He is majoring in Dairy Science. Brock is the son of Mark and Melissa Irwin.

Our ninth scholarship recipient is Travis Jacobs of Pecatonica. Travis will be a freshman at Highland Community College this fall. He will be majoring in Agricultural Management with an emphasis in Crop Management. Travis is the son of Todd and Debbie Jacobs.

Our tenth scholarship recipient is Alicia Limones of Caledonia. Alicia will be a junior at Ellsworth Community College in the fall. She is majoring in Agriculture Education. Alicia is the daughter of Beth Limones.

Our eleventh scholarship recipient is Alexis Sell of Garden Prairie. Alexis will be a sophomore at Iowa Lakes Community College this fall. She is majoring in Animal Science. Alexis is the daughter of Scot Sell.

Our twelfth scholarship recipient is Abby Stevens of Caledonia. Abby will be a freshman at University of Illinois, Urbana-Champaign in the fall. She will be majoring in Animal Science. Abby is the daughter of Daryl and Karin Stevens.

The 2020 Scholarship application process will begin November 1st. The funds for the scholarship awards come from the support of our members and income generated from interest. If you would like to make a contribution to the Winnebago-Boone Farm Bureau® Foundation for the purpose of providing scholarships, we would encourage you to do so.

The Winnebago-Boone Farm Bureau® Foundation is a 501(c)(3) not-for-profit organization; therefore, your donation is tax deductible within IRS guidelines. If you would be interested in donating to the Winnebago-Boone Farm Bureau® Foundation, contact the Farm Bureau office at 815-962-0653 and we will be glad to assist you in the process.

A Hands-On Learning Experience for Educators

During this four day program, teachers will learn first-hand about agriculture and how to incorporate ag lesson plans into their classroom curriculums. Program participants will travel to area farms and agribusinesses and also enjoy classroom presentations from industry experts. The first day will be held at the Stephenson County Farm Bureau, 210 W. Spring St., Freeport from 8 a.m.-4:30 p.m. On June 16th, the group will board a coach bus at the Winnebago-Boone Farm Bureau, 1925 S. Meridian Rd., Rockford to begin three days of tours throughout Illinois. The bus will return to Rockford around 4:30 p.m. on June 18th.

Price to attend the four day program is \$250 per person. Price includes bus transportation, hotels, lunch on Monday and Tuesday and breakfast on Wednesday and Thursday. Two graduate credits are available through St. Francis University for an additional \$200. Graduate registration and credit is completed directly on-line with St. Francis.

This program is a collaborative effort presented by...

Summer Ag Institute 2020

General Manager's Message 2019

2019 will be a year long remembered by those of us in the agricultural sector. It has provided challenges that most of us have not seen, and some of those challenges will carry into 2020. The long weather delays in both planting and harvest caused issues for our patrons, for our employees, and for our strategic partners throughout the industry.

Despite all the challenges faced, Conserv FS's financial statements show another excellent return for our shareholders. Our pretax income for fiscal 2019 was just over \$6.8 million, which exceeds last year's number and allows us to continue to grow the company for your benefit. During the year the board approved the purchase of almost \$5 million in fixed asset additions-all put in place to serve our customer base more effectively and efficiently.

At our November board meeting the board approved the issuance of patronage in all three divisions and the redemption of equity issued through 2008. The combined cash distribution to the country is just under \$2 million.

Our diversified business strategy continues to allow Conserv FS to lead the region in financial stability. When many other agronomic cooperatives suffered due to the seasonal challenges, our commercial energy and turf divisions excelled, allowing us to achieve our financial success. All three divisions of the company were profitable this year, again proving the value in our vision statement – To be the best, most innovative, diversified agricultural cooperative.

Both of our subsidiaries also turned in positive results for the year. Complete Feed Services continues to be a market leader and provides an excellent return on our investment. FS Grain also turned in a small

profit in a challenging year and continues to improve their services to our patrons.

Our employees are a major key to our success as a company. I continue to be impressed with the dedication, hard work, and tenacity that our employee groups bring to the customer every day. Team Conserv is in constant motion, working to build successful and profitable partnerships with our patrons.

To summarize, this year has been one full of challenges, surprises, changes and successes. The cooperative system continues to be the best vehicle to provide the products and services our patrons need for their own success. Thank you for your support!

John Tuttle, General Manager

PRESIDENT'S REPORT

2019 will forever be remembered for how much rain we had!! It was a very late planting season for most of our members with a majority of the beans being planted in June. It became almost impossible to make dry, good quality hay during the summer. Harvest was another big challenge with corn being very wet, with low test weights. Because corn had so much moisture, there were shortages of LP gas for our members' corn dryers.

The Winnebago-Boone Farm Bureau had a much better 2019 than our crops did. With a strong stock market, our investments did very well. We were able to remodel the west wing of our building where there had been a COUNTRY Financial Agent. We tore two rooms out and made the area into a very nice meeting room to be used for agriculture groups such as 4-H, Conserv FS and dairy organizations. In addition, we have a church that rents that area twice a week. The west wing meeting room is now very similar to how that area was when the building was built in 1975. We also remodeled the north wing Board Room and added a much-needed storage room. You are welcome to come and see how nice these meeting areas turned out.

The Ag in the Classroom program reached a new record-over 34,000 students with the leadership of Diane Cleland and our Educators, Doni Nelson, Katie Rudy, Holly Wakeley and Christy Youtzy.

Other activities we participated in 2019 were "Ag All Around Us" event at the Discovery Center in March, the Farm Breakfast at the Dennis Luckey farm in June, the Rockford City Market in July and the two County Fairs in August.

At the State Level, Farm Bureau was not able to stop the 19 cent a gallon tax increase on gas or the increase in fees for trucks and trailers. We can only

hope that some of this money comes back to fix our rural roads and bridges. We were successful in preventing changes in the Livestock Management Facilities Act and the Farmland Assessment Law.

The American Farm Bureau Federation worked on getting the trade agreements passed in Congress with 1) China 2) the U.S. Mexico Canada Agreement 3) Japan and 4) Europe. The first two were finally passed in early 2020. The tariffs on our agriculture products, especially soybeans and pork, cost the U.S. farmers over ten billion dollars. Hopefully we can get back to a free market with most of the countries in this world and get our crop and livestock prices above break even.

2020 is the Centennial for both Winnebago and Boone County Farm Bureaus. The Centennial Committee has been working very hard on a booklet with a lot of the history of both Farm Bureaus. They are making a video where many of the past presidents, managers, Women's Committee and Young Leaders were interviewed. There will be a Centennial program at the Community Building Complex of Boone County later this year. We look forward to seeing many of our members that evening.

I want to thank our manager, Ann Marie Cain, for all the work she does to keep the Board informed and to organize most of the activities that we do throughout the year. She and her staff have spent a lot of time researching the history of our two counties. I believe everyone will be very impressed with how much information they were able to find in old newspaper articles and Board minutes for the last 100 years!

I will be turning the office of President over to someone else in 2020. I thank the Board for all the support they have given me for the past five years and for all the time they volunteered to make the Winnebago-Boone Farm Bureau one of the best in Illinois.

Richard Beuth, President
Winnebago-Boone Farm Bureau

Looking Back at 2019

Environmental/Water Quality & Livestock Affairs

We continue to educate 4th and 5th grade students about the importance of protecting our ground water at the 26th Annual Groundwater Festival. Students learn about the water cycle, where their drinking water comes from, and practices farmers implement to protect it from pollution. Visual models show students how quickly our groundwater can be contaminated in various ways from both the urban

and rural residents.

The Winnebago-Boone Farm Bureau has been actively working with local watershed groups. The South Fork Kent Creek watershed is currently working on a 319 plan. Residents within the watershed are invited to participate in the monthly Stakeholders Meetings. This is also a part of the Rockford Park District's Levings Park Water Quality Improvement project. Minutes, presentations, and resource materials are available at <https://rockfordparkdistrict.org/levings-park>.

The Farm Bureau provides input from the agricultural community on the Forest Preserves of Winnebago County's Land Advisory Council (LAC). The purpose of the LAC is to establish a Land Acquisition Policy, a Strategic Land Conservation Plan, and advise the Forest Preserve Board on potential land acquisitions.

Farm Bureau partnered with neighboring County Farm Bureaus, COUNTRY Financial, Forest Preserves of Winnebago County, Winnebago County Soil and Water District and University of Illinois-Extension to host informational meetings on the Dairy Margin Protection Program, Over the Road Transportation Updates, Soil Health Compaction and Cover Crop Seminars, and Pollinators.

Legislation

The Farm Bureau continued to meet with local legislators to talk about issues that were of concern to our members.

Farm Bureau members met with a few of our local legislators, Senator Steve Stadelman, Senator Brian Stewart, Representative Andrew Chesney and Representative Jeff Keicher during the Illinois Farm Bureau's Legislative Reception in Springfield, Illinois on February 19th to discuss how proposed legislation could impact Illinois' agricultural industry. Our directors and members are the voices for agriculture.

Representative Maurice West II of the 67th District along with his Chief of Staff, Jeremy Ennis, joined Winnebago-Boone Farm Bureau for a tour of the Mitchell Dairy and Grain, LLC on Thursday, April 18th.

Trade was one of the top issues in 2019. Farm Bureau members met with US Congresswomen Cheri Bustos in April and Congressman Adam Kinzinger in August to discuss the importance of Free Trade to the agricultural industry.

Mike Amarilio, Carroll's Chief of Staff, met with members of the Winnebago-Boone Farm Bureau, on behalf of Representative Jonathon Carroll at Book Cattle and Grain, LLC. on Monday, November 17th. Amarilio toured the operation and learned about equipment, crop production and harvest challenges; animal feedstock, nutrition, and

care; manure management practices to protect the environment; legislative and regulatory impacts. Members shared concerns over the large increase in motor fuel tax; the propane shortage; bridge repair; Livestock Management Facilities Act; animal welfare issues, good stewardship; local impacts of ag industry consolidations and more. Amarilio also shared concerns impacting Carroll's district.

We encourage you to get more involved with your local legislators at the county, state, and national level. Reach out to them when issues arise that will affect agriculture and take a moment to *thank them* for supporting agriculture.

Join FB ACT

The easiest way to get involved is to join FB ACT. As an FB ACT member, you will receive notification to contact your legislators regarding important legislation affecting agriculture. Go to <https://www.ilfb.org/take-action/fb-act/join/> and sign up today.

Members can also join the IFB action request texting group at any time by texting the keyword "FARM" to the number: 52886.

Policy Development

It is important that we hear from you regarding your concerns and suggestions on what direction your organization should take on issues at the county, state, and national level. Policy Development starts with you.

Local Affairs

The Farm Bureau continues to work with county government as they deal with zoning issues in the two counties such as providing input into the Boone County Comprehensive Plan and proposed solar projects in both counties.

Outreach

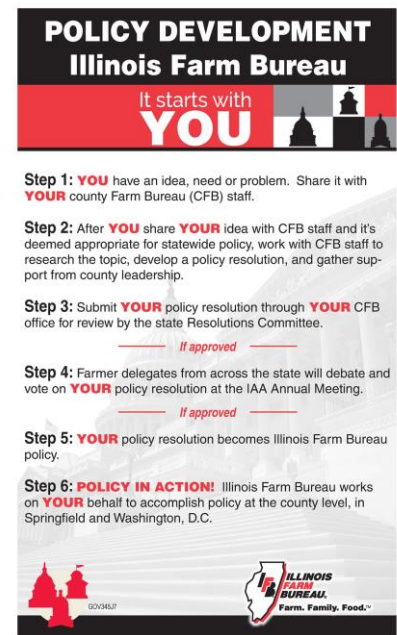

The Farm Bureau hosted our 3rd Annual Ag All Around Us event at the Discovery Center Museum to kick off National Ag Week. Stations covered a variety of agricultural topics, including goats, dairy and butter churning, honeybees, soil, worms, insects, chickens, corn, “Making Sense of Food Labels,” and a play area. More than 1,000 people attended on Saturday, March 9, 2019.

Thank you to all the wonderful volunteers and farmers who dedicated their time to answering consumers’ questions and teaching others about agriculture.

Mitchell Dairy and Grain LLC partnered with the Winnebago-Boone Farm Bureau and Illinois Farm Bureau to host a Farm to Table Tour on Saturday, June 8, 2019 near Winnebago, IL. John Mitchell and Julia Mitchell shared what goes on at a dairy operation daily. Fourteen consumers of all ages learned about milk quality, cow and calf care, nutrition, housing and antibiotics. The tour ended with delicious dairy delights consisting of milk, cheese and ice cream.

Farm Bureau Foundation held the 22nd Annual Farm Breakfast at Lucky Dairy Farm, hosted by the Dennis Luckey Family. Volunteers cooked a hearty breakfast, as well as coordinated tractor and horse drawn wagon rides, children’s activities, petting zoo, antique tractor display and live local musical entertainment provided by the Matt

POLICY DEVELOPMENT
Illinois Farm Bureau

It starts with **YOU**

Step 1: **YOU** have an idea, need or problem. Share it with **YOUR** county Farm Bureau (CFB) staff.

Step 2: After **YOU** share **YOUR** idea with CFB staff and it's deemed appropriate for statewide policy, work with CFB staff to research the topic, develop a policy resolution, and gather support from county leadership.

Step 3: Submit **YOUR** policy resolution through **YOUR** CFB office for review by the state Resolutions Committee.

————— If approved —————

Step 4: Farmer delegates from across the state will debate and vote on **YOUR** policy resolution at the IAA Annual Meeting.

————— If approved —————

Step 5: **YOUR** policy resolution becomes Illinois Farm Bureau policy.

Step 6: POLICY IN ACTION! Illinois Farm Bureau works on **YOUR** behalf to accomplish policy at the county level, in Springfield and Washington, D.C.

ILLINOIS FARM BUREAU
Farm. Family. Food.™

Wundrow Band for the day. Over 1,300 people attended the event. The event raised just over \$7,000 for the Farm Bureau Foundation.

The Farm Bureau continued to talk to consumers with our “Making Sense of Food Labels” display at the Rockford City Market and the county fairs. Cards containing information on the ten GMO products that may be found in the grocery store as well as the definitions of some of the more common phrases found on our food labels. Children had the opportunity to learn more about agriculture by playing Ag Jenga.

Prime Timers

Prime Timers Christmas Party

The Farm Bureau Prime Timer Program continues to provide a variety of programs and activities for our members ages 55 and older.

Programs held at the office included a defensive driving course and a Christmas Party. Trips included visits to the Fireside Theatre for lunch and a show, Chicago Auto and Flower & Garden Shows and the Celebration Belle’s fall foliage cruise on the Mississippi River. We also

traveled to Misty Mountains, Hawaii, and Nashville. Visit our website

<http://www.winnebagoboonefarmbureau.org/trips-and-tours.html> or check out the Calendar of Events for our upcoming trips.

Young Leaders

The Young Leader Committee continued their efforts to collect non-perishable items and raise money for our local food pantries in partnership with the Harvest for All program.

The YL members and directors sold raffle tickets for a hog and half a steer thanks to the donations by Book Cattle and Grain LLC, Brian Sisson, LG Seeds, Pleasant Hill Farm and Eickman’s Processing. \$765 was raised for the Rock River Valley Food Pantry, and four winners were selected at last year’s Annual Meeting.

Last June, the YL partnered with Culver's of Winnebago and hosted a family fun Farm night. The YL brought in barnyard two-footed and four-footed friends, tractors and equipment and games. A basket raffle was also held that evening. The YL raised a total of \$792 for the Empower Boone and Rock River Valley Food Pantries. Join us this year on Monday, June 1, 2020 at the Culvers in Winnebago to help the YL serve our local food pantries. Thank you to the local business that donated baskets for the raffle.

The Young Leaders also hosted the Cow Pie Bingo, a 50/50 raffle and volunteered at the Farm Breakfast, Ag All Around Us event at the Discovery Center and the county fairs.

Members on Facebook can join the Young Leaders at www.facebook.com/groups/WinnebagoBooneYoungLeaders

Centennial

The Centennial Celebration Planning Committee and staff spent the last year diving through the archives and photos; interviewing past leaders and staff; and planning the upcoming Centennial Celebration activities. Due to the COVID-19 pandemic, the Centennial Celebration has been rescheduled to Thursday, September 3, 2020.

We would like to take a moment to remember those members we have lost this last year.

Voting members who have recently passed, you will be missed!

Jean Castle – Rockford
Donald Comstock – Rockford
Merlyn Eickman – Mount Morris
Karl Heeren- Winnebago
Brian Osterberg – Garden Prairie
Thomas Reimer- Capron
Esther Rumage- Rockton
Phillip Summer- Winnebago
Herman Zick- Poplar Grove

(Please accept our apologies if we happened to miss anyone.)

This past membership year continued to be challenging; we did meet our voting member quota for members in good standing.

Additional Membership classification called a “Professional Member” is now available. A Professional Member is an individual who does not have a substantial financial interest in the production of agricultural products such as a farm owner/operator or full-time on farm employee (at his or her election) with \$2,500 gross farm income per year but is employed in an ag-related occupation (at his or her election). A professional membership may have the right to vote and serve on the Winnebago-Boone Farm Bureau Board of Directors.

Ideally, every farm/landowner or operator in the two counties should be a Farm Bureau member. We will continue working to encourage those that are not members to join.

We appreciate the efforts of the COUNTRY Financial representatives for the work they do in signing new Farm Bureau members. We know that the weakened economy has an impact on their business as well as ours.

Also included in this program are a list of upcoming activities and programs and a list of member benefits and discounts. We will continue to work with neighboring businesses to provide more for our members.

We thank each of you for your continued membership and the support you have given the organization this past year. We know that as a nation we are facing many challenges that we have never faced before. As an organization, we too are also facing new challenges. Winston Churchill once said, “A pessimist sees the difficulty in every opportunity; and optimist sees the opportunity in every difficulty”. Let’s all be optimists and see the opportunities that lie ahead. Success comes when we all work together. With your help and continued support, together we can lead this organization, and help our nation through these difficult times to a brighter future.

Upcoming Events

Tip Sheet

Call Legislators

Tips for Calling Your Legislators

Be Prepared – Think, or even speak through, what you want to say.

Find the Right Telephone Number – There are numerous ways to find phone numbers.

- Ask your county Farm Bureau.
- Use the Legislative Action Center at ilfb.org.
Type in your address and your legislator's contact information appears.

- Use a switchboard.

U.S. Capitol Switchboard:
202-224-3121

State of Illinois Switchboard:
217-782-2000

Talk to Right Person – Remember that telephone calls may be taken by a staff member, not the legislator. When asking a legislator to vote yes or no, you can share that with the person answering the phone. If you need to say more, ask to speak with the aide who handles the issue.

Identify Yourself – State your name, address, and indicate that you are a constituent.

Be Brief and Concise – Tell the person answering the phone that you would like to leave a brief message, such as: "Please tell Senator/Representative (Name) that I support/oppose (House Bill ____ or Senate Bill ____)."

Provide Reasons – Say why you support or oppose a bill. Ask for your legislator's position on the bill. You may also request a written response to your telephone call.

Say Thank You – Thank the person answering the phone for his/her time. After a vote, call again and thank your legislator for their vote.

Get more tips for communicating with your elected officials by contacting your county Farm Bureau or visiting www.ilfb.org/fbact.
