

Biscayne Beach

Biscayne Beach, the new Edgewater tower, is the new property of 397 units and 52-story in front of the bay. It will be particular for an unique characteristic: “bringing the beach to the city”. This beautiful complex will develop the first man made beach in front of the water of Biscayne Bay.

This magnificent building construction will get underway in the first quarter of 2014 and is slated for completion in 2016. Attention **Biscayne Beach** owners and future owners. You will receive a special 10% Discount from Gluck by mentioning this online offer!
