ABOUT HI-FIVE SPORTS ZONE

Hi-Five Sports Zone is a state-of-the-art indoor sports facility with 5,000 square feet of basketball court space to help foster sports exploration and development. The facility is designed specifically for younger children with kid-sized hoops and courts. In the evenings the Zone is transformed into the perfect space for adult sports leagues.

Our location at 5411 Geary provides the utmost convenience for our busy families. There are numerous parking spaces on Geary, a parking lot behind the facility, and another parking lot across the street on 18th avenue. Parents can also arrange for a drop off in one of our loading spaces and one of our experienced staff members will escort the child into the facility.

At Hi-Five Sports Zone we will go above and beyond for our families to ensure both quality and convenience in every aspect of your experience.
