

## Active Aces Super Senior Tennis Club News

On behalf of the 2023 Team Tennis Planning Committee, we thank the participants for making this summer's Team Tennis a resounding success!

We had two teams, The Blue Team and The Red Team and played for four (4) weeks; July 26, August 2, August 9 and August 16. The Blue Team was captained by Charles Gross and The Red Team was captained by William "Soap" Brown.

All matches were played on the lower level courts at Fort Lincoln. The play format was 2 men's doubles, 2 women's doubles and 4 mixed doubles. The matches were both fun and competitive and there was a lot of enthusiastic spirit on each of the teams.

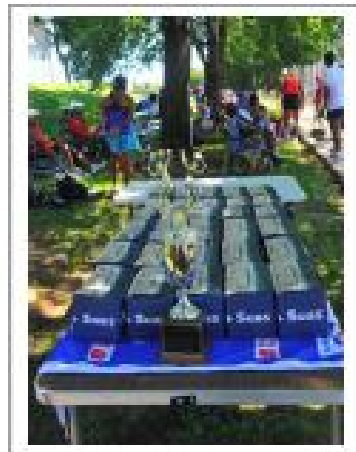

Each team member on the roster was able to play multiple matches during the season and received great support and rousing cheers from their teammates. Despite a hard fought effort by the Blue Team, the Red Team was victorious with a final cumulative score of 137 games won. The Blue Team was close behind with a final cumulative score of 130 games won.

The committee gratefully acknowledges the following persons for their participation:
