

HARRIS
CONTRACTING, LLC

CAPABILITY STATEMENT

Small Enough to Listen.
**Experienced Enough
to Deliver!**

Harris Contracting provides excavation and grading services.

Calvin Harris is a certified General Contractor with a 12-year record of overseeing all phases of multibillion and multimillion-dollar construction, infrastructure and transit projects for both government and private clients. In September 2019, Mr. Harris decided to use his vast amount of experience and his passion for superior service to create **Harris Contracting**.

Harris Contracting's goal is to deliver the highest level of quality construction services at a fair and market competitive price. Harris Contracting strives to build long term relationships through repeat and referral business, achieved by customer satisfaction in all areas including **timeliness, attention to detail and service focused attitude**.
