The Lowcountry Ladies Exchange Club of Charleston Board Meetings take place the last Monday of the month. Members are welcome to join or dial-in!

The Lowcountry Ladies Exchange Club of Charleston Membership Meetings take place on the first Thursday of the month and begin at 6:30 PM. The location for each monthly meeting is at the Isle of Palms Exchange Clubhouse.

If you missed May's meeting, you missed a fun, low-key, game night hanging out with your gal pals. We aim to have a Social Event every quarter so that we can continue to foster fellowship and get to know each other on a deeper, personal level. And you certainly can't beat the view at our new venue...

Our 2018-2019 board members were sworn in at our June meeting and they have put together, with your feedback and input, a fantastic agenda for our upcoming year and are enthusiastic about growing our club. Thank you for your service!

Thank You to member, Chloe Garrison, who lead an incredibly informative and impactful training program "Darkness to Light's Stewards of Children. A very difficult topic, but extremely worthy of attention.

Darkness to Light® is a national nonprofit organization that seeks to empower adults to prevent child sexual abuse. Their programs raise awareness and educate adults on how to prevent, recognize, and react responsibly to child sexual abuse.

Promoting pride in country, respect for the flag and appreciation of Americans' freedoms are the primary purposes of Exchange's Americanism programs. The tumultuous struggles of world powers in the twentieth century have done little to guarantee a peaceful future for the majority of the world's people. However, there's one country in modern times that people flock to for safety, freedom and opportunity — the United States of America. It is hard for Americans to imagine the horrors of modern struggles over religious and ethnic differences, the very differences we embrace. Exchange's Americanism programs were born in the aftermath of World War II. At that time, patriotism was unquenchable, and Exchangites joined veterans and other civic groups in heralding the rich blessings of democracy.
