

God Is the Devil Too

Ab7 Cmin7 Dmin

Ab7 Cmin7
I've always had my illusions to pull me through
Dmin Cmin7
But now I find myself obsessed with shadows on the wall
Ab7 Cmin7
They dance in my mind's eye, leaving no clue
Dmin
Living with existential dread is a heavy heavy haul
Dmin Eb Dmin Eb
With this pain, from this truth, I cannot deny no more

Chorus

Db Cmin Ab Db Ab
God is the devil too
Db Cmin Ab Db Ab
My heart is broken and torn
Db Cmin Ab Db Ab
God is the devil too
Db Cmin Ab Db Ab
Still to love I turn

Here down on my knees

\

No matter how grand or how small
What's created is destroyed on this crazy train
Makes me scream out in silent doubt down the lonely hall
As depression pours over me like a hurricane
With this pain, from this truth, I cannot deny no more

Chorus

Db Cmin Ab Db Ab

God is the devil too

Db Cmin Ab Db Ab

My heart is broken and torn

Db Cmin Ab Db Ab

God is the devil too

Db Cmin Ab Db Ab

Still to love I turn

Here down on my knees

Bridge

Gmin E Ebmin

There's a knowing deep down inside my soul

B

That in this chaos everything somehow remains whole

Gmin E Ebmin

Everything has it's time, so I won't let it wreck my mind

B

Cause creation still births from the star stuff of the destroyed

It's far beyond my understanding
