PARIS TEXAS HARDWARE™

## Designer Expertise

 Designer  
Expertise

Our talented team, with years of experience, are ready to help design the perfect window treatment solution for your project. We've combined their knowledge into what we're calling Designer Expertise - so get to learning from the best!

Be sure to look for the icon throughout the 2022 Drapery Hardware Catalog for tips, techniques and inspiration provided by our design experts.

**Make short windows look taller by adding a stationary shade valance on top, flanked by tall drapery panels »**

For shade system solution options, visit the Rowley Company website at: [bit.ly/custom-shade-solutions](https://bit.ly/custom-shade-solutions)

Finish ^  
Art Bronze

Reduce sidelight with the clean, modern look of French Returns. Our curved French Return brackets with stylish mounting plates and return bands allow panels to wrap around securely to the wall creating a more refined elegance »

Finish »  
Black

Our NEW Modern Metal Bracket designs provide the ultimate modern style »

Use our Hinged Elbows  
to create continuous  
window treatments »

Bonus »  
Hinged elbows do not  
just look good; your  
installer will love these  
due to the ease and  
flexibility of installation!

Our first  
ombre finish!

Introducing Bronzed Pewter,  
where hints of warm bronze  
emerge as it transitions from  
a cooler pewter base.

Finish »  
Bronzed Pewter

The 1 1/8" Swing Ring is designed with a slimmer profile to create a smaller stack on your drapery treatment when fully opened »

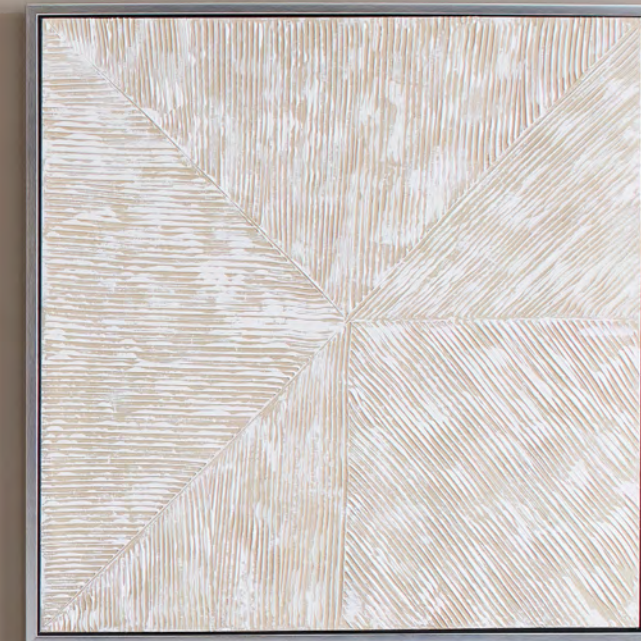

Finish »  
Couture

Let finishes, finial details, fabrics, color & texture be your style guides to start the design process »

Mix sheer under room darkening drapery; when closed, sheer drapery allows beautifully filtered light to flood the room »

Finish »  
Stardust

Coordinating Holdback  
Medallions really tie the  
full window together »

Finish »  
Moonlight

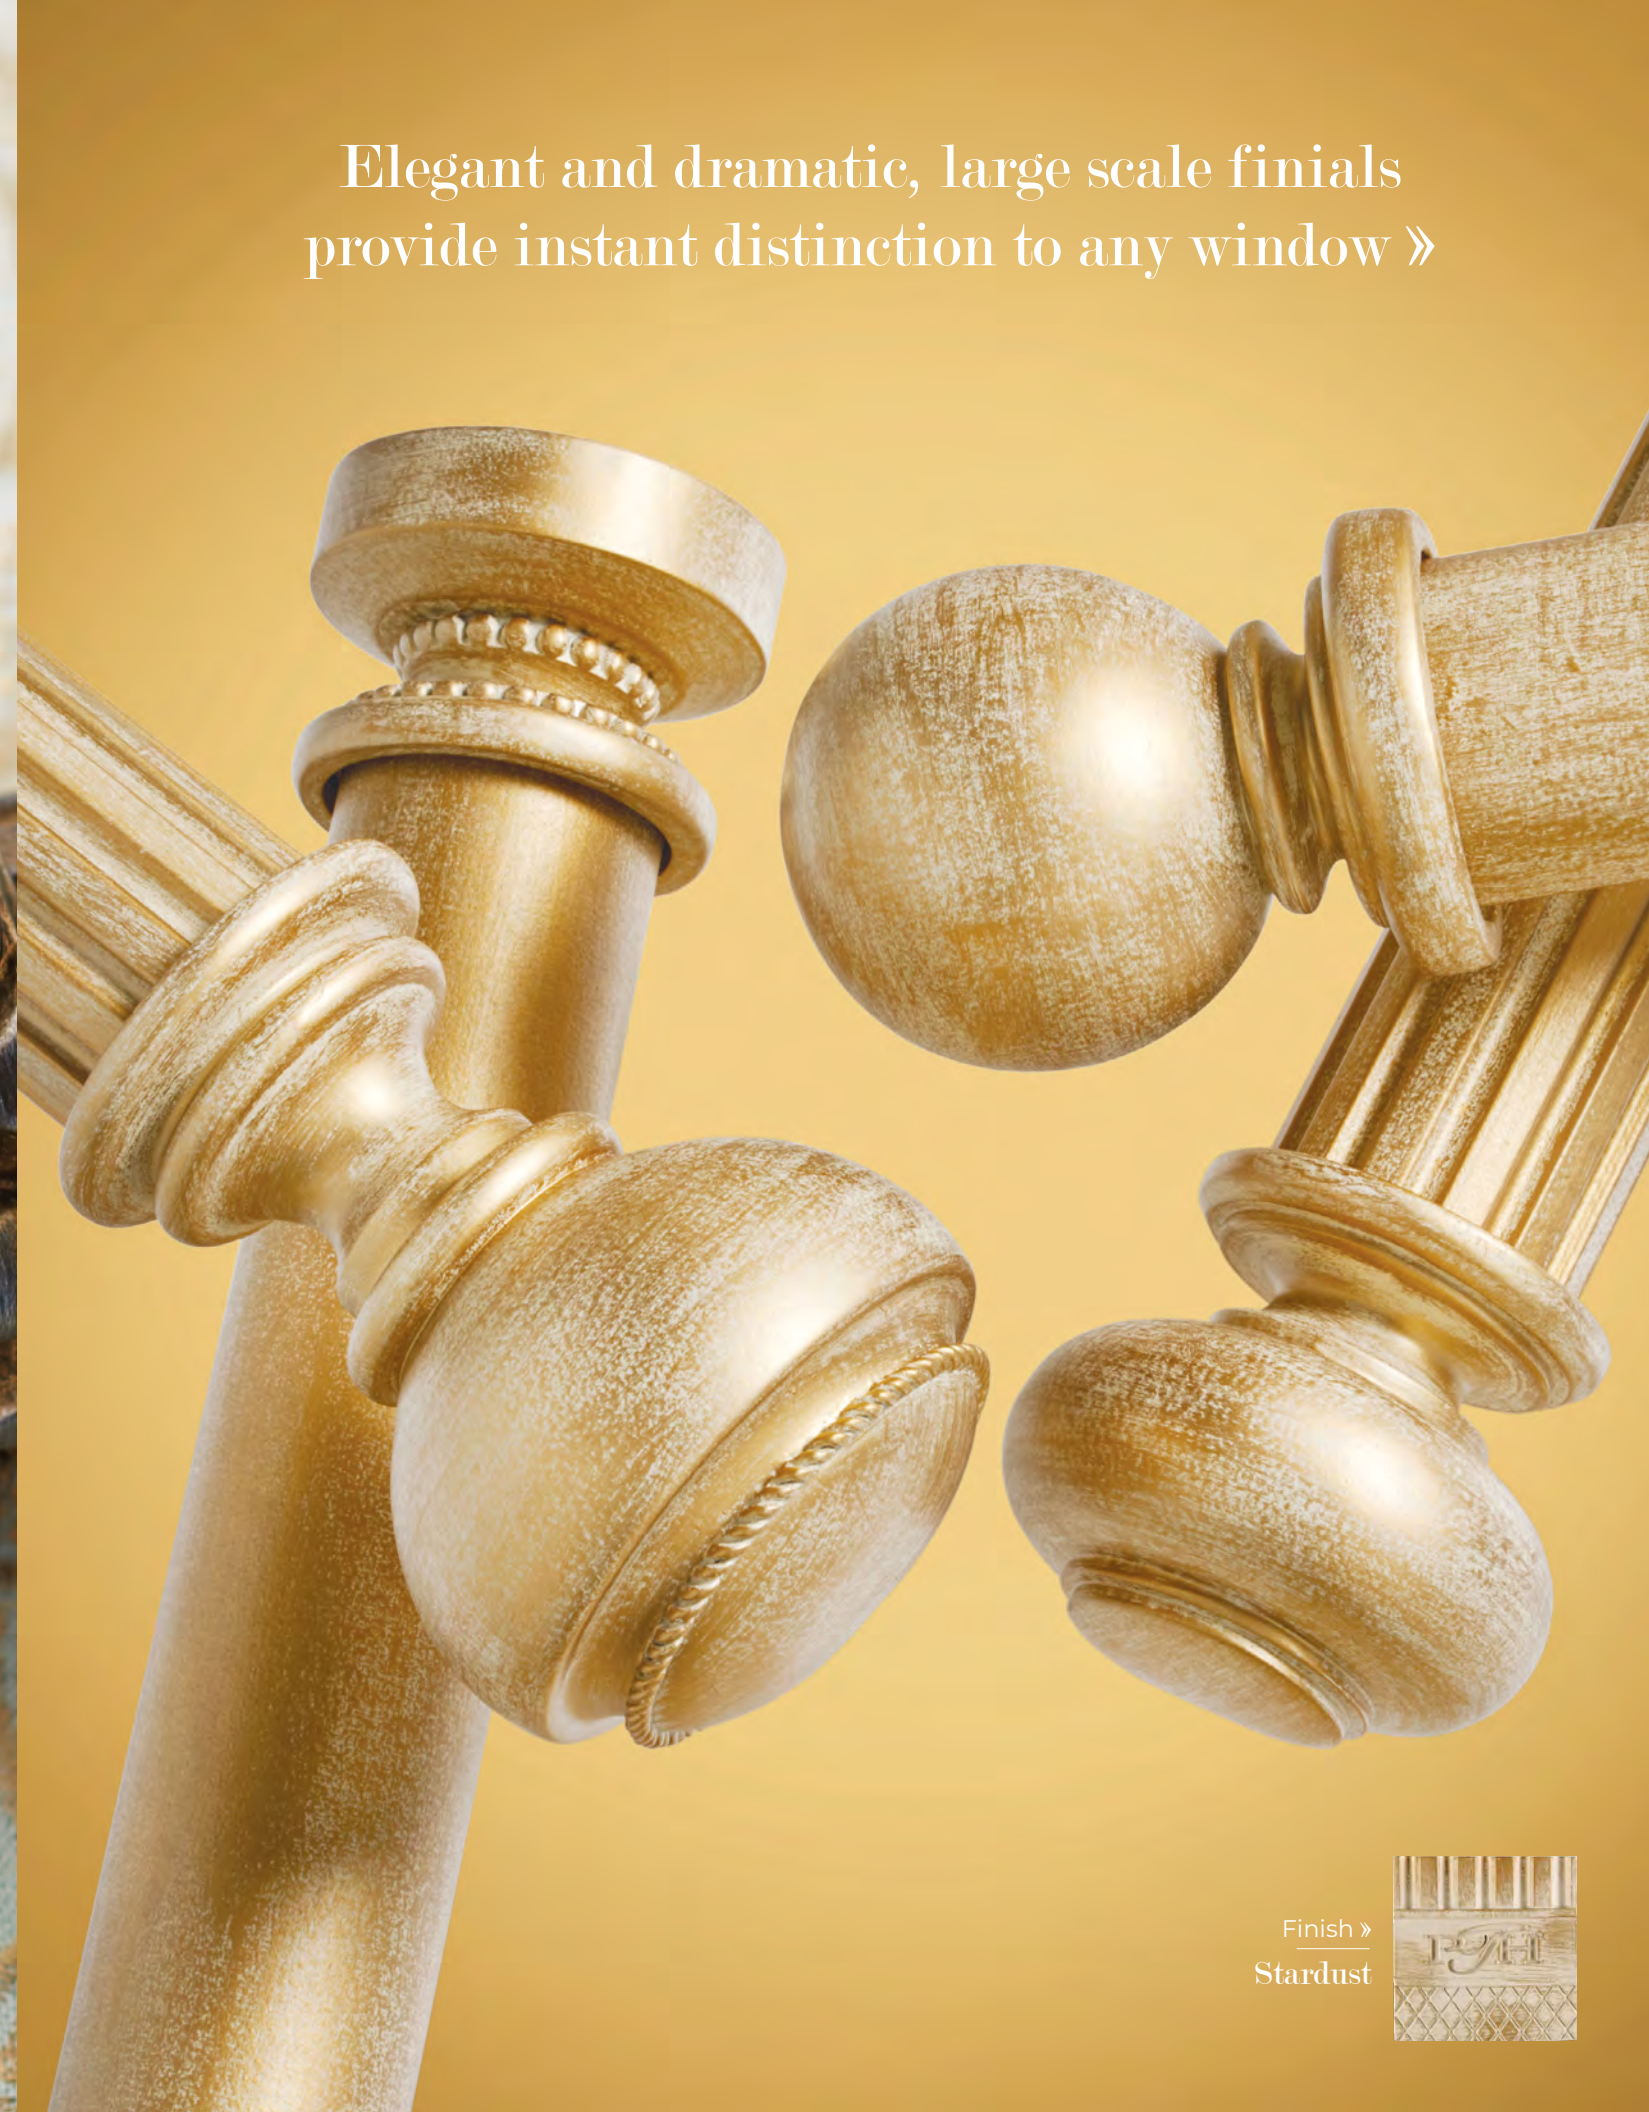

Love the look of flat panels? Consider Ripplefold drapery panels which hold channels of fabric from pole to the floor due to the carriers within the drapery track system »

With ornate details and Old World design, Heritage Classics Finials are sure to make a big statement for your window »

Elegant and dramatic, large scale finials provide instant distinction to any window »

## Unrivaled Design »

R-TEC Automation® products are meticulously designed to combine beauty, form and function with superior performance.

## Uncompromising Quality & Service »

Our products have been designed and tested to meet the highest industry standards. We proudly stand behind our products by providing expert services to support you along with products backed by a 5 year warranty to protect your client's investment.

## Intuitive Programming »

R-TEC Smart Controls offer modern design and lifestyle options with easy programming and the ability to integrate with the latest smart home solutions. The R-TEC Automation® Hub and App solution is designed to control window treatments directly from a smartphone or mobile device and is easily integrated with voice control systems for a more personalized experience.

## Unsurpassed Value »

Provide your clients with innovative window treatment solutions that fit their budget expectations with R-TEC Automation® systems that offer unrivaled design, uncompromising quality and service, and intuitive control options at exceptional price points.

Antique Gold Leaf

PTH Perfect Match™

Looking for that *perfect* hardware finish to match your wall, fabric or furniture?

Allow PTH Perfect Match™ to stir your imagination and inspire you to create your own unique window treatment.

### Here's How It Works »

Choose any Benjamin Moore® color in either high-gloss or eggshell sheen level.

For a minimal service charge, we will apply your specified color to your Paris Texas Hardware selection and responsibly dispose of any leftover paint.

### Make It Your Own »

For a minimal service charge, we will add highlights to your PTH Perfect Match™ hardware selections.

Highlights are only available on PTH Perfect Match™ finishes.

Choose from 4 highlight options »

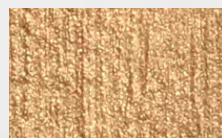

Silver

Gold

Rose Gold

Glitter

Shown with Silver Highlights »

 Designer Expertise

PTH Perfect Match™ provides the ultimate customized window treatment »

For luxurious pleated drapery, with beautiful folds from top to bottom, do not skimp on the amount of fabric used in the panels. Use at least two and one-half to three times fullness when calculating yardage »

Finish »  
Spun Gold

For a more finished look or the perfect solution for covering bay or corner windows, add mitered returns to your fascia »

Use a double bracket to easily create a two layer treatment -the design possibilities are limitless! »

Ceiling Mount Brackets work well for projects where there isn't enough wall space for a wall bracket, allowing the treatment to drop down from the ceiling »

Add a baton for ease in opening and closing the drapery; glide the draperies by holding the baton but not pulling down on the baton »

The length of your  
window treatments sets  
the tone for your room »

Trim & Tailored  
or  
Long & Dramatic

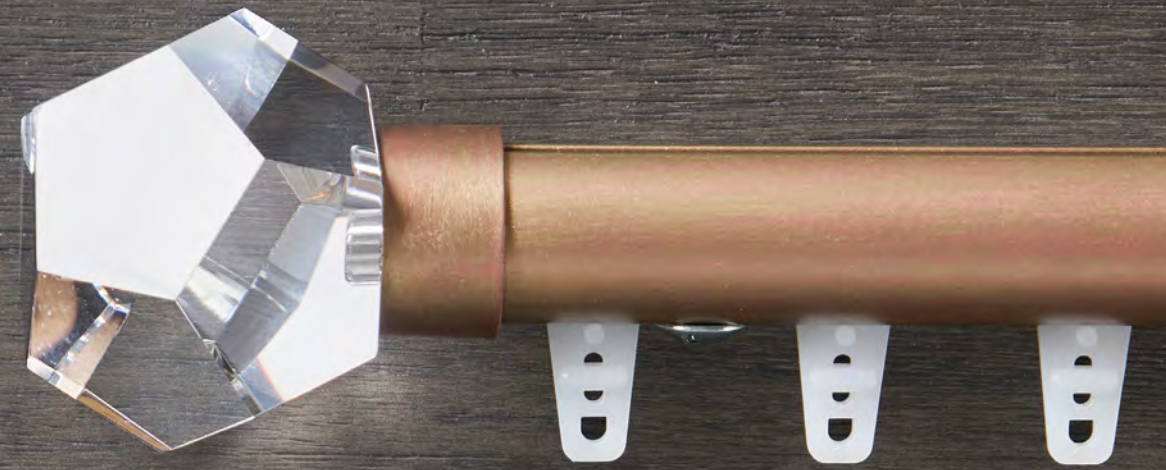

Finish »  
Charcoal Zinc  
featuring our acrylic pole

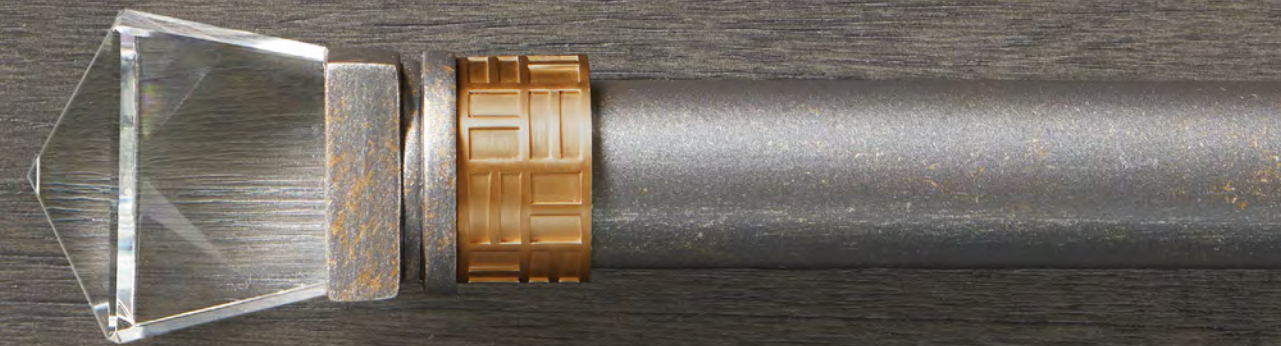

Quick Ship Wood & Resin  
Finishes work beautifully  
with natural materials and  
earthy textures »

Adapt your finials to the metal traverse systems using our  
Transitional Cuff / Finial Adapter »

Place Crystal Bands anywhere along the pole for extra  
GLAMOUR - there's no limit! »

Clean Deco Style requires the extra Deco Cuff - Mix & Match  
finishes for the ultimate customization »

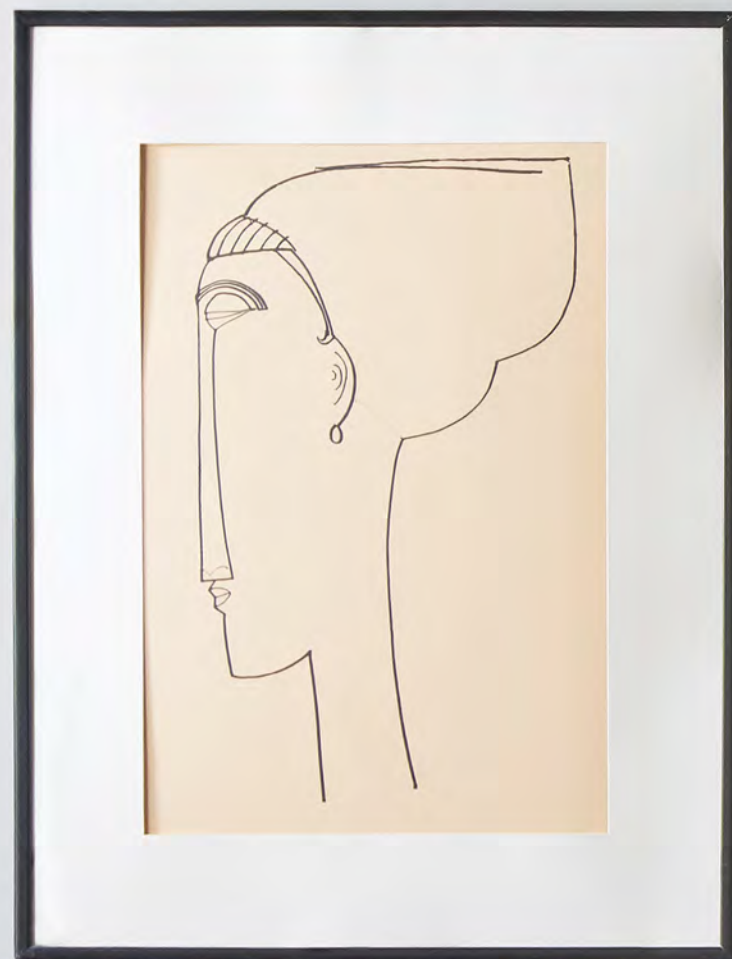

Adding a layer of interlining to custom drapery protects the face fabric from fading, adds a layer of insulation & creates beautiful channels from the top of the drapery all the way to the floor »

Finish »  
Platinum

When mixing metals,  
have a prominent tone  
and an accent »

Finishes »  
Satin Gold &  
Matte Black
