LK700Ti treadmill

A commercial rated treadmill must be solid, good looking, user-friendly, and most of all: dependable. The LK700Ti is that and so much more. With its user-friendly console, Bluetooth enabled i.Concept technology, comfortable handle grips, removable cup holders, personal cooling fan, non-removable safety key, and 4 HP AC motor on a 22x63" cushioned running surface, it has what it takes to survive and THRIVE in any environment.

- HST Phenolic Resin comes standard and is unique to the market. It provides a maintenance free system, eliminating the need of lubrication for up to 2 years.
- Whisper quiet 4.0 HP AC drive motor provides unparalleled durability and reliability
- Extra large 22" x 63" running surface enables a safe and comfortable workout
- Refreshing 2 speed personal cooling fan motivates you to go the extra mile
- MP3 player compatible through a line-in connection. Audio is available through built-in speaker or headphone jack
- Orthopedic running belt provides a more comfortable, lower-impact workout experience
- Convenient crossbar controls enable speed and incline adjustments on the fly without losing focus on your workout
- Pre-drilled for Medical Rails (medical rails sold separately)
