

Happy Eating

'Twas the night of Thanksgiving,
But I just couldn't sleep...
I tried counting backwards,
I tried counting sheep.

I gobbled up turkey
and butter potatoes,
Stuffing with gravy,
green beans and tomatoes.

The leftovers beckoned...
the dark meat and white,
But I fought the temptation
with all of my might.

I felt myself swelling
so plump and so round.
Till all of a sudden,
I rose off the ground.

Tossing and turning
with anticipation,
The thought of a snack
became infatuation.

I crashed through the ceiling,
floating into the sky.
With a mouthful of pudding
and a handful of pie.

So, I raced to the kitchen,
flung open the door
And gazed at the fridge,
full of goodies galore.

But, I managed to yell
as I soared past the trees...
Happy eating to all - -
Pass the cranberries, please!

Tommy Walls - 3 Years
James Knies - 2 Years

First Aid

What would you do if a co-worker called and said someone was injured? Have you taken first aid training so you would KNOW what to do? The construction industry is a leader in accidents and the injury rates continue to be high, so knowing basic first aid is a must.

Always call the posted emergency phone number so outside professional help is on the way. The following is a list of helpful hints when first aid is needed.

1. Act promptly but not hastily - look for breathing and airway obstructions, and check for bleeding and/or broken bones.

2. Start mouth to mouth resuscitation if necessary, and don't forget to use a one way mask.

3. Stop the bleeding - a snug bandage or a pressure dressing will usually stop the bleeding. Use direct pressure, not a tourniquet. Avoid direct contact with blood - USE GLOVES!!

4. Look for shock - skin cold and moist, weak pulse, face drained of color and fainting.

Wrap the victim in blankets, have them lay down and try to calm them.

5. Caution, handle with care - a person with a suspected neck or back injury should not be moved until professional rescue personnel are on the scene. Assist them if requested.
6. Splint broken bones - a splint can be made from any firm object that is long enough to reach beyond the broken bone. Immobilize the joints above and below the break.
7. Never give liquids to an unconscious victim.
8. Bandage wounds to help protect against infection - the wound should be covered with a sterile dressing before the bandage is applied.
9. Remember to wear universal precaution protective equipment.

Important Dates

Thanksgiving Day

Get to know... Pat Studnicki

1. How long have you worked here? *3 Years*
2. What do you enjoy most about your job? *The people that I work with*
3. Where were you born? *Wisconsin*
4. Do you have any children? *One, my son Jeff*
5. Favorite restaurant?

Tumbleweed

6. Favorite TV show? *Westerns*
7. Hobbies: *Hunting & fishing*
8. If I didn't work here, I'd be: *back in Illinois*
9. A person in history you'd most like to have dinner with: *JFK*
10. What are you most proud of? *My son*

Project Updates

French Lick Town Green

The Town Green is moving at a fast pace now. Sloped roof trusses are scheduled for November 7th over the Denny's & the final flat roof trusses are to be delivered November 14th. With a little cooperation from Mother Nature we should achieve our target dry-in date.

Orange County Courthouse

We have temporary heat going now & the plaster men are going good. We are having difficulty with painting the exterior it seems. Travco didn't get all the masonry PH levels to acceptable ranges and it is discoloring the paint. This is a problem because we are short on good painting days.

French Lick Casino—Addition

Concrete work is done. Most of the steel is on site and I hope to complete by the end of November or no later than mid December.

French Lick Town Market

This project is all but done. We just need to complete railings when they come in and the main sign.

Denny's Restaurant

We hope to get started by the first of the year.

Winger Home

Completed the last week of October. The owner's moved in the previous week.

Russellville Project

Original contract is done. We need to do some sidewalks, landing approaches and stair rails added by a Change Order.

Upcoming Bids

- Paoli Public Library, Paoli, IN
- Historical House, Corydon, IN
- Matt & Tammie Hollis Home, West Baden, IN
- Chris Crecelius Home, French Lick, IN

Get to know. . . Steve Watts

1. How long have you worked here? *5 years, 11 months, 2 days, 5 hrs, 27 minutes, 36 seconds*
2. What do you enjoy most about your job? *Afternoon naps*
3. Where were you born? *Earth*
4. Do you have any children? *Daughter, Missy*
5. Favorite restaurant: *Any strip club*
6. Favorite TV Show? *Girls Next Door*
7. Hobbies: *Sleeping*
8. If I didn't work here, I'd be: *Sleeping*
9. A person in history you'd most like to have dinner with: *Marilyn Monroe*
10. What are you most proud of? *My daughter*
11. What is one thing most people don't know about you? *I am actually Hib's son, Mark is adopted!*

Lindsey's Construction will be closed
Thursday, November 27th
in observance of Thanksgiving
