

WHY CHOOSE CUMBERLAND INSTITUTE?

EXPERIENCE:

- 23 years in the same location, celebrating 30th anniversary in 2017.
- Hands-on instructors average 18 years of experience in the field.
- Dedicated instructors who love their job—More than half of our instructors have been with Cumberland for more than 10 years.
- We know how long it takes to prepare for a long career as an Integrative Holistic Bodywork Professional. We will instruct all classes for you to be successful in the field.

FLEXIBILITY:

- ✓ With our classic Integrative Massage Therapist Curriculum and our new Holistic Medical Massage Track or Holistic Bodywork Track, you have the options of taking the hands-on classes that will serve your interests and passions.
- ✓ Pay-as-you-go! Take classes in a way you can afford. If you want to take more classes, less classes or need to take an unplanned hiatus – You CAN with our program!
- ✓ Graduate with no debt so that the transition to your new career is as easy as possible.

UNIQUE OPPORTUNITIES:

- ❖ During your internship, you will run a fully functioning, multi-practitioner clinic designed to prepare you for working in many settings and give you the confidence to successfully start your new career.
- ❖ By the time you have finished our business program, you will have designed your own website.
- ❖ When you go into the marketplace as a Cumberland Institute graduate, you are a preferred job candidate for many local businesses.
- ❖ A three class progression, unique to Cumberland, helps you build the self-knowledge and professional relationship skills necessary for a long career.
