Adventure Summer Kamp (A.S.K.)

We are excited to announce the 1st Choice After School Kare Program is partnering with the Colorado Eagles Hockey Team this year in light of continuing your children's education in an exciting & fun way! Here's how it works:

- Students will be given an age appropriate worksheet to read aloud to his/her A.S.K. Director for 60 seconds.
- At the end of 60 seconds the director will circle or highlight the # of words they read. This will be their logged starting point.
- We will continue to time each student weekly, or more upon request by the student, if they desire to be timed more than once per week to monitor their improvements.
- Each time your child improves by 5% or more they will get an Eagle's surprise: Bookmarks, Pencils and Stickers.
- As soon as all the children show a 5% increase in their reading the Eagle's will send in their mascot SLAPSHOT to make an appearance. WOW!
- At the end of the A.S.K. Summer Kamp, the first 15 students who reach a 5% increase or more will receive a free Colorado Eagles Hockey Game ticket voucher to be used at any game offered in the 2018-19 season!!!
Please help your child succeed by staying in touch with our directors on your child's goals. With your help we can make them winners!
- Remember as we teach our children about goals. If they don't know where they are, or where they are going, how will they know when they arrive?
- We want nothing more than for your children to succeed, not only in our program, but life overall...this is just the beginning of many great things to come in the A.S.K. Program!
