## *From our President...*

### **Help During Virus Quarantine**

I have had a small handful neighbors contact me to express willingness to help anyone in the neighborhood who needs something. If anyone needs help with things like going to pick up prescriptions, a loaf of bread or whatever, please feel free to call me and I will connect with one of those who has offered help. Likewise, if any of you want to help out, please contact me and I will put your name on the list of volunteers.

I am not aware of anyone in Oakmont II that has contracted this virus. Hopefully, we will all stay safe and will not have to endure this quarantine / shut down much longer.

### **New Neighbors**

Please join me in welcoming new neighbors that have joined us in 2020:

Susie Netter, 523 Warwick Willow Lane  
Chris and Pamela Moffatt, 556 Green Oaks Lane

## *Social Committee Report*

Welcome to Spring in Oakmont II! Considering the uncertain times we are currently living in your Social Committee has decided to wait a little while to plan the first social event in our park. We would normally have a hamburger and dog festival in May, or like last year, we had tacos and nachos. We want to make sure all of our residents remain safe and healthy during the COVID-19 Pandemic and in order to do that we are postponing the first event of the year. I wish I could give you a date, but as soon as we are able to safely assemble again, we will plan the event. I cannot wait for the variety of deserts that our neighbors bring. We don't need them, but they are so good.

We are also waiting another month to begin the *Yard of the Month* award. We should start that event come June 1<sup>st</sup> and recognize the beautifully landscaped yards in our neighborhood thru September. So, you have another month to get the beds weeded and the landscaping blooming. Good luck to all!

If you have any suggestions for the social committee or desire to assist in planning events, please contact me.
