

Spring/Summer 2026

Dear Potential Sponsor,

We are proud to share that, after only two seasons back in Division II, your **Trinity Pioneers are once again State Champions!** This remarkable achievement reflects the dedication of our coaches and student-athletes, as well as the unwavering support of families, educators, and community partners like you.

As we look ahead to the 2026 season, we celebrate both growth and transition within our program. This past fall, we welcomed the Class of 2029, including 16 new freshmen athletes, and this June we will proudly graduate 12 seniors—many of whom have already committed to continuing their athletic careers at the prep school or collegiate level. Their success is a testament not only to their hard work, but also to the strong foundation created through community support.

Our sponsors have been an invaluable part of our organization. As many in our community know, football is not fully funded by the school. Our sponsors play an essential role in ensuring that our athletes have the equipment, uniforms, and safety resources needed to compete at the highest level. Through your generous contributions, we have been able to maintain top safety standards, outfit our growing roster, and prepare each incoming class with the gear they need from day one.

We respectfully invite you to consider becoming a new sponsor—or renewing your sponsorship—for the **2026 Trinity Pioneer Football season**. Your support directly benefits our athletes while also offering valuable visibility for your business. Details regarding sponsorship levels and benefits are included in the enclosed packet. All sponsors will be recognized in our football program, and **Gold and Silver sponsors** will receive field banners at home games along with recognition over the public address system.
