What is a Treeventure?

Glad you asked

It is the ability to use your imagination in ways that stimulate fun, learning, adventure and being helpful.

The word "Treeventure" is rendered in a large, bold, black 3D font. Below the text is a faint, grey, semi-transparent reflection of the word, creating a sense of depth and shadow.

It is time for you to meet the tree with the
biggest heart – Wi Willow

Hello everyone, I am Wi Willow

I am a tree.

I am not some ordinary tree.

I am a special tree.

I am going to show you all the neat things
that I can do as a tree.

Today, I will be meeting four friends, called seasons, for 3 months each for an entire year.

Did you know there are four seasons in a year? It is one of the four periods (spring, summer, autumn/fall, and winter) into which the year is commonly divided

The first season
we will meet is
Mr. Winter. Tell
everyone about
yourself

Hello Wi.

I am winter and I am usually around from December through February.

I normally bring cold air and snow. Some people may not like cold air and snow but there a lot of people who love it

Cold and
Snow can be
makes me
shiver!!!

Winter can be a time of great fun.

Next, we will
meet Mr. Spring.
Hello Mr. Spring

Hello Wi.

I am Spring and I am usually around from March through May.

I normally bring some rain and sunshine. This allows for things to grow and show and their true beauty. This is a fun time for people who may not like the cold of winter

Spring is such a
great time as the
birds and animals
love to come out
and play.

Spring can be a time of great fun. Especially outdoor fun.

Next, we will
meet Mr. Summer.
Hello Mr. Summer

Hello Wi.

I am Summer and I am usually around from June through August.

I normally bring lots of sunshine and some heat.
Everyday that I am around is day made for you to
be outside and enjoying it.

I love the fun in the sun.

Just loving the summertime fun.

Next, we will
meet Mr. Fall.
Hello Mr. Fall

Hello Wi.

I am Fall and I am usually around from September through November.

I am considered the prettiest season of all. I can bring a mixture of colors and fun that everyone likes. I am not too hot and not too cold.

Just as the names says
this is a time when my
leaves fall off.

From Halloween to
Thanksgiving, Fall is such
a great time.

I hope you all enjoyed meeting my four friends
that I call the Seasons

Mr. Winter

Mr. Summer

Author's Notes

Imagination is such a beautiful gift we can allow a child to have with no limits. The process of curiosity is a natural stage of development for children. They are natural-born scientist and investigators. It is our responsibility to foster and nourish those innate skills in our kids. So, go grab those pots and pans or a box and start using those beautiful, colorful, and creative imaginations!
