

MISSION HILLS ARCHITECTURAL APPROVAL FORM

Please make the description of your planned improvement project as specific as possible and includes site borders, location of house on site, dimensions of the project, sample of the material, list of materials, "paint chip" color samples, etc., and estimated completion date. If you are repainting your house (whether or not the color is changed) submit a request form and include the "paint chip" color samples. If you need additional space other than the box below please attach to form

You as the homeowner are responsible for any and all permits that may be required by Pierce County. Any approval from Mission Hills HOA ACC does not remove that responsibility.

All projects must comply with CC&R's, By-Laws, or other requirements as may be dictated by the Mission Hills Board of Directors.

Per CC&R's, requests for ACC approval **must be submitted at least 30 days in advance.**
