Dear Parents,

We have really enjoyed your children these past two months and have noticed many growths and changes from when we started school in September. It is wonderful to see the children happy to be at school; they are such a joy! We have fun stories and creative art projects full of colors. We will also talk about Thanksgiving and all the things we're thankful for. We have silly games called "Scarecrow Joe" and "Did You Ever See A Turkey?". We have a class that loves songs, stories, rhymes and fingerplays.

Remember to bring in snack for 2 days at the beginning of the month.

Thank you,

Ms. Barb
