## President's message

Welcome To the Dog Days of Summer.

In the past this phrase was a reference to going mad during the hottest part of the summer. For Artists we are just going crazy for the gift of rain and beautiful sunsets. I hope everyone is having fun taking monsoon photos and painting those sunsets or just taking in the wonderful light shows.

As you can see, we are trying out a new format for our newsletter. We would love feedback, good or bad. Let us know what you think.

Lots of information here in the newsletter and you can find a lot more and photos on our website. [www.sparts.org](http://www.sparts.org) Also check out our new qrcode .
