

Recall Gavin Newsom Petition Instructions:

Here is the link to download the new "Recall Newsom 2020" Petition. This is a new effort to recall Calif. Gov. Gavin Newsom.

Previous petitions from the last 2 campaigns were "shelved" by the County Clerk. Again this is a NEW RECALL ATTEMPT

Please read the directions for getting the petitions signed correctly. The completed petitions

1. Registered Voters fill out and sign the petition as they are registered to vote. If a person is not registered---REGISTER THEM TO VOTE
2. People can check that at <https://www.lavote.net> --check registration. Actually since many things have been changed for registered people, it's best to check your voter status: see if your party is correct, check your address, check off the "**Do not want Vote-By-Mail**" so you can vote in person. If you must "Vote-By-Mail" do so, but the process is open to having people disqualify your ballot.... (signature missing or does not match, other information incomplete or abbreviated or illegible) This information applies to "Provisional Ballots" at the Vote Center... insist on voting at the machine. Leaving it up to someone to peruse your ballot and decide if it is correct to even open it leaves your ballot in a position to be rejected. VOTE IN PERSON at a VOTING MACHINE.
3. **Sign a Petition that is for the County** in which you *reside & are registered to vote*. Different Petitions can be printed out and insert the correct County for the signatures being collected. (e.g. Los Angeles, San Bernardino, Orange, or Riverside County--- this just above the area for signatures.
4. ***Explain to the person signing, the requirements for signing the petition correctly before they sign.*** Maybe have a sheet with simple explanation & example to show signers.
5. **Print name** as registered to vote. **Sign name** as you are registered to vote; Use your signature that is on the **last driver's license**; take it out and look at it- try to get as close as possible to that signature. **Print a full address** that where are registered to vote. **DO NOT ABBREVIATE ANY PART!** (e.g. Rowland Heights, **not** Rowland Hghts, West Covina **not** W. Covina). If the person is a junior or senior, have them use that designation for clarification if that is the way they are registered.

6. **DO NOT WRITE OUTSIDE THE SPECIFIC BOX FOR YOUR SPECIFIC INFORMATION. SIGNATURES NEED TO BE WITHIN THE BOX -- NOT BELOW INTO THE OTHER BOXES.**
7. When you **complete a page of signatures, fill in the information at the bottom that identifies you are the signature collector (the one in charge of that petition getting signed)**. Be Careful & Watch that you fill in the information asked for in the correct blank.
8. When you have **completed petitions send them into Dale Quasny, 307 Orlando Way, Covina, CA 91723**. If your club has a person that is handling this please let me know: 626-253-6326 call, text, or email msguaser@hotmail.com email These petitions are being ***collected in batches; please send in a group as soon as you have them completed*** so there is time to check them and delivered to the County Clerk. Each group of petitions must be sorted in the specific county the signatures apply. Then after checking signatures, the petitions for a specific county are turned in to that County Clerk. (eg San Bernardino goes to the San Bernardino County Clerk, Los Angeles petitions go to LA County Clerk, etc)
9. **Petitions are due by November 17 to the County Clerk**. Therefore, the finished petitions should be sent to me(or your designated representative) in batches as soon as they are completed. This gives adequate time to review them for missing info and hopefully, remedy that and then deliver the finished petitions to the County Clerk's office.... I cannot process all the petitions on November 16th that is wh
10. **NOTE: PETITIONS SIGNED ONLINE are NOT ACCEPTED** by the County Clerks. **ALL ACCEPTABLE PETITIONS** must be paper ones turned in to the County Clerk on time.
11. Pass on blank petitions to other organizations that want to assist in getting petitions signed. I would like to know something about these organizations before you pass off my name & address and other info. ***Please e-mail or call me first***. Thank you

**THANK YOU FOR YOUR VOLUNTEER EFFORTS TO "RECALL NEWSOM 2020"
