1 pm, Paw Paw Eagles. Pledge of Allegiance, Treasurer's report including how the Antique Motorcycle swap meet went and what was sold. Discussion about who might be attending the Freedom Rally and the meet up points. Den Mother answered the question of why were there no answers to the quiz in the tri-folds. They are meant to be passed out to drivers education students to learn about motorcycles and find the answers in their textbooks.

MEMBERSHIPS - Any ideas on increasing memberships would be welcome. Funds from new and renewed memberships are vital and everyone should carry tri-folds to sign up members. If you know of any bike nights in Region 12 please bring any info to the mtgs. so someone can attend and hopefully get the word out about ABATE. Thank you David (who joined at the May mtg) for bringing two new members today. Welcome David, Kristol and Rollie.
