

PUBLIC WORKS – EQUIPMENT OPERATOR/GENERAL LABOURER

THESSALON FIRST NATION

JOB POSTING

Thessalon First Nation is seeking qualified individuals to join the public works department. Under the direction of the Public Works & Infrastructure Manager the successful candidate(s) will:

MAJOR RESPONSIBILITIES/DUTIES:

- Operate various types of equipment (i.e., grader, plow truck, backhoe, excavator);
- Grading of roads in the summer season and snow removal in the winter season;
- Complete duties of a manual nature, as assigned (i.e., brushing, digging, culvert and sign installations, water line installation, septic installation, debris removal, infrastructure maintenance, etc...);
- Carry out routine maintenance and repairs of band vehicles and equipment and all band-owned buildings;
- Other related duties as requested and/or required.

QUALIFICATIONS/SKILLS:

- Minimum Grade 12 education;
- Minimum 2 years related equipment operating experience;
- Minimum Class G Driver's License;
- Class "D" Driver's Licence with "Z" endorsement, "A" endorsement considered an asset;
- Excellent driving record;
- Sufficient mechanical ability to be able to perform preventative maintenance procedures;
- Building and carpentry skills considered an asset;
- Ability to work independently with minimal supervision and in a team environment.

Deadline Date: Friday January 27, 2023 @ noon

Qualified applicants are invited to submit their resume and cover letter to:
