

# PLAINCHURCH

Anything but **ORDINARY**

Friend,

There is an opportunity for the one God is preparing to serve as the Youth and Worship Pastor at Plain Church of Bowling Green, OH. We are located just outside the city limits of Bowling Green in Plain Township. Bowling Green is the home of BGSU with an approximate population of 40K. The church is surrounded by smaller, rural communities and just 20 minutes from Toledo and an hour from Detroit.

Plain is an independent autonomous church that is BAPTISTIC in Doctrine, EVANGELISTIC in Outreach, and INTENTIONAL in Ministry. We interpret God's Word literally and desire to know Him and make Him known. We're a multi-generational faith family of believers from a variety of backgrounds and life experiences. Our worship is vibrant and intimate.

To see more detail of what we look like, visit our website at [plainchurch.com](http://plainchurch.com)

The ministry is currently growing and expanding. This a full time position with salary and benefit package.

Our local economies are strong and the job market is healthy. If your spouse desired to work there are many opportunities. The cost of living is reasonable and the area is a safe place to raise a family. There are two major public school districts that serve our community as well as an excellent Christian school, and several home/cottage school groups as well. In fact, Arrows Cottage School utilizes the facilities of Plain Church.

We are also in the beginning stages of planning a new building which will house a gymnasium. Outreaches and athletic ministries would become a natural draw for youth and families.

If you're still interested in knowing more, please email your resume, references, photo of you and your family, as well as a personal statement on your salvation experience to Jesus Christ. Please include a basic outline of your beliefs (doctrine) and how supportive is your family of your call. An audio/video file or link to a message you have shared would also be appreciated.

We will send you a detailed Statement of Faith and set up a phone interview.
