

Knights of Columbus Vocation Chalice

Please consider adopting the Vocation Chalice we use at Mass so that you (with your family & friends) can spend time in prayer in the presence of His sacred vessel asking the Lord to “send laborers to His vineyard” as priests, deacons and religious. You will keep the Vocation Chalice for two weeks upon receipt & return them to the Church Office on the Friday before the end of your last week. A binder containing prayers & ideas you could use while in possession of the Chalice will be provided. Please help the Lord send laborers to His vineyard now! Promoting encouraging Religious Vocation is everyone’s business! Please complete the Forms below.
