2019 Programs and Projects

Our largest and most significant 2019 project will be the stabilization of and improvements to the Oyster Union Society Hall. This building was an important gathering place for the Daufuskie community during the first half of 20th century and with your support, our goal is to allow visitors to tour inside on limited occasions. In addition, we will continue maintaining the appearance and functionality of the Museum Complex as well as the Foundation Archives in the Daufuskie Island School so that we may better protect the various documents of Daufuskie History. Other ongoing projects include the Children's Exhibit, the Oral History project and a self-guided tour booklet for the Museum complex.

Please consider a contribution to the Oyster Union Hall Society Stabilization and/or the 2019 General Project Fund and allow us to put your dollars to work where they are needed most. Thanks for your support!
