CAPABILITY STATEMENT

COMPANY OVERVIEW

Phoenix Professional Group, Inc. was founded in September, 2015. Our founders are Tammy E. Griffin, a United States Veteran with over eleven years in the construction industry and Arlene P. Wilson, an Interior Designer with over 20 years of experience. The two partners met in 2014 while studying for the General Contractors examination. Our combined knowledge and experience has placed us in a position to become a force to be reckoned with. A total of 31 years in the Construction Industry has exposed us to several scenarios in our various fields.

CORE COMPETENCIES

Phoenix Professional Group Inc. continues to strive to make a substantial difference in the lives of our clients. Our commitment is foremost to those we serve; always cognizant of the golden rule "do unto others as you would have them do unto you".

Our philosophy is consistent with justice and fair play and, as such, our mission is to make your remodeling, renovation or new construction experience a pleasant, rewarding and unforgettable one. At PPG, we will provide you with the tools to realize and fulfill your dreams!

PAST EXPERIENCES

- ◇ Over the past years Phoenix Professional Group has worked with a vast number of Residential and Commercial Clients mainly in remodeling and renovation construction.
- ◇ We have gutted various existing properties and converted structures into new accommodations.
- ◇ We have learned that to demolition a home leaving the stem wall attracts less fees for permits this gives the client leverage to design freely.
