2. Rules for Junior Memberships:
  - a. The National SAR fees and dues are \$85 if establishing a new lineage or the ancestor has not been documented or approved through the SAR, DAR, or CAR.
  - b. Fees and dues shown apply when using a lineage which has been accepted by the SAR or DAR.
  - c. The same fees and dues apply to a current active member of the CAR who is becoming a Junior member of the SAR and completing his SAR application, supplying his birth certificate and a copy of his Member of Good Standing card.
3. Rules for Family Memberships:
  - a. Reserved for two or more individuals.
  - b. Each individual application in the family is complete within itself.
  - c. All applications must be submitted together as a family.
  - d. All family applicants must have a common lineage to the same Revolutionary War ancestor.
  - e. The full “Regular Membership” fees and dues must be paid by the lead applicant in the family.
  - f. Each additional family application (18 or over) pays per the above table under Family Membership.
  - g. Each additional family application (under 18) pays per the above table under Junior Membership.
4. Applicant must present a valid CAR Transfer card, a birth certificate, a record copy of his CAR application and a new SAR application.
5. National SAR annual dues are collected by the member’s primary State SAR. The State Society Dual Member pays State dues. He has all the rights of a regular member and can hold offices in either or both of the State Societies at the same time, but cannot be a voting representative of both State Societies at the same Regional or National meeting.
6. Application fees are non-refundable.
7. A son, grandson, brother, nephew or grand-nephew of someone who is or was a member of the SAR, DAR or CAR, as long as you use the same lineage for your membership and reference the application of the member or former member. The applicant must be over 18 years of age and under 25 years of age.
8. The National SAR offers a Life Membership based on a rate that depends on age. Refer to the National SAR Life Membership application for cost.

9. When either the National SAR or WASSAR makes changes to the amount of dues and fees, the Secretary is authorized to update the Fees and Dues Table without further Board action.

10. A one-time fee replaces annual dues for a SAR Memorial Membership; there are no annual dues.

11. WASSAR splits the \$20 new member annual dues with the applicable chapter by deducting it from the chapter's annual dues payment.

12. A person who purchased a WASSAR life membership prior to January 15, 2005 who has not resigned or been suspended or expelled, and whose National SAR dues are not current, shall be designated a Life Member Non-Participating, and shall be entitled to attend meetings and electronically receive all communications to members.
