## PRESIDENT'S CORNER

### No time for (spring) breaks

Just because Pinellas County Schools enter spring break this week, and we all lost one hour of sleep, doesn't mean it's time to hide under the covers.

The weather is the best it's ever been, and I enjoy sitting outside these days and listening to neighbors doing yard work, the birds chirping and children playing. Do you ever walk around your neighborhood? I like seeing the seasonal decorations change and residents caring for their property.

Just this week, I received an email from someone interested in

## FINANCE CORNER

### Put together a professional team to help you reach your goals

At various times, you will need to make moves containing financial, tax and legal elements, so you may want to get some help – from more than one source.

Specifically, you might want to put together a team comprised of your financial advisor, your tax professional and your attorney.

Your financial advisor may recommend you sell some investments and use the proceeds to buy others more appropriate for your needs.

And your tax advisor can help you determine the tax consequences of such sales.

Your financial advisor can also help you choose appropriate investments for your retirement plan, while your tax professional can advise you on the ideal contribution amounts, from a tax standpoint.

Also, your financial and legal advisors can work together on your estate planning documents. Your legal professional can help you create an arrangement, such as a living trust, and your financial advisor can help you choose the right vehicles to fund it.

Teamwork – it pays off.

### President's Corner (continued)

buying a home in Disston Heights. While I'm not a Realtor with all the statistics, I pointed him in the right direction to find that information, and told him that Disston Heights has been a great neighborhood to raise a family.

Now it's time for all of you to spread the word to your neighbors that we have a great opportunity

through DHCA to come together and make it even better. It's our responsibility as citizens — and with a **team** like DHCA, it's much easier!

I look forward to seeing you at the meeting, at breakfast and at the Easter Egg Hunt. We have SO much to celebrate about Disston so let's get out there!
