

### **How to Complete a Match Play Scorecard**

- 1) "Home" Team Captain creates Match Day Scorecard, and Prints two copies, one for Opposing Team
- 2) The day of Match, Team Captains verify accuracy of Scorecards, and distribute to Team Members
- 3) Players enter a plus (+) sign only on the hole won for Gross and/or Net. If there is a tie, leave it blank
- 4) Add the number of plus signs for each nine holes and enter the Total in the "Out" column (front 9) and the "In" column (back 9)
- 5) The side with the most gross plus signs on the first 9 holes scores 1 point gross for the front nine. Enter under POINTS in the gross "out" column. Do the same for net plus signs
- 6) Repeat for the back nine holes and enter under POINTS for "in"
- 7) The side with the most gross plus signs overall will score an additional 1 point for overall gross wins. Enter the results in the "18" column under POINTS. Repeat for net
- 8) Overall Total (TTL) POINTS must add up to 3, for both Gross and Net
- 9) Home Team Captain transfers the scorecard information to the Team Play Results sheet. Both Captains must sign the sheet and the Hostess Captain shall scan Results sheet and email to the Team Play Director, Beverley Patterson, [pattersb3@gmail.com](mailto:pattersb3@gmail.com) on the day of play. If you do not have a scanner, you may take a photo and text it to 908-884-3596

**All players must post their scores ON THE DAY OF PLAY in order to be eligible for future matches**
