

Resources for Township Residents

The following programs are available through Franklin Soil and Water Conservation District in partnership with Franklin County Board of Commissioners. Call FSWCD at (614)486-9613 for more information!

Learn about the benefits of **rain barrels**, **compost bins**, **native plants and trees** through a **Community Backyards** educational class and receive a \$25-50 reimbursement for your yard. Learn more at www.communitybackyards.org

Free rain barrels to residents who qualify for reduced water prices through City of Columbus Utilities.

Annual Tree Seedling and Plant Sale with ordering available January – March and pick-up in April. More information at www.franklinswcd.org/tree-and-plant-sale

Assistance and cost-share grants (up to \$250) for **rain gardens**. Learn more at www.franklinswcd.org/rain-gardens

Information on how to **maintain your lawn to benefit water quality** through **Get Grassy!** (Residents can pledge to take action and receive a prize!) www.getgrassy.org

Pledge to **P.U.P.** (Pick Up Poop) to keep dog waste out of local waterways and receive a prize at www.franklinswcd.org/pup

Join the **Water Quality Partnership** to learn about best **business practices** for keeping local waterways clean and healthy. Pledge to adopt practices at www.franklinswcd.org/water-quality-partner-program

Talk with our conservation staff about your **drainage or other natural resource concerns**. Call (614)486-9613 or submit an online form at www.franklinswcd.org/contact

Visit www.bethechangeforcleanwater.org/franklin-county for contact information for **reporting water pollution** or call FSWCD at (614) 486-9613.

Test your knowledge! Take the **Stormwater Quiz** at www.bethechangeforcleanwater.org
