## Look For The Good

In the New Year, let's resolve to get less stressed, upset, anxious

about things over which we have no control.

Lets have a narrower focus on our lives,

loving and helping our family and friends,

making our community a better place to live,

to create peace and contentment.

In the New Year, let's resolve

to pay less attention to depressing stories

on TV, in magazines and newspapers,

and to stop focusing on what we want

that we haven't got,

instead of appreciating

the many blessings we do have.

In the New Year, let's look for the good.

We may have to search through a mass of negative media, but the good is there, all around us.

I wish for you a New Year filled with good, engulfed in serenity and happiness!

By Joanna Fuchs

## Pieces of Time

New years come and new years go,

Pieces of time all in a row.

As we live our life, each second and minute,

We know we're privileged to have you in it.

Our appreciation never ends

For our greatest blessings: our family and friends.

Happy New Year!

By Joanna Fuchs

So he hires an idealistic reporter (who is investigating political corruption and is interested in Brock's activities) to educate Billie, thereby keeping both of them out of his hair for a while. But Billie takes a liking to the reporter, who treats her with kindness and respect, and she proves to be a quick study—learning about history, politics...and what Harry is really all about. This famous comedy enjoyed one of the longest runs in Broadway history and gave Judy Holliday the role that made her a star! Dinner is included along with their unlimited Dessert Bar.
